

## **TODAY'S MYSTERIOUS AND PROPHETIC CASPIAN AIRLINE CRASH 15th July 2009**

Today, for the second time in a little over two weeks, Satan has used a plane crash in his attempt to discredit the Rosary. The Caspian airliner that went down this morning carried 153 passengers and 15 crew members. 153 of course is the number of Hail Marys in a complete 3 mystery Rosary and 15 is the number of decades in a complete 3 mystery Rosary.

As you may recall a little over two weeks ago, a Yemeni plane crashed with 153 passengers. All but one were killed. God saved one teenager in order that Satan could not discredit the number 153. So why did God allow Satan to kill 153 passengers and 15 crew members today. Satan succeeded today in his attempt to besmirch the Rosary because he was willing to take down a Gog Magog airplane. Caspian Airlines is a combination of Russia and Iran. This is the exact same coalition that comprises Gog Magog.

Satan in his desperate attempt to discredit Mary's Rosary was even willing to destroy a Gog Magog plane and all the people on it in his desperate attempt to thwart Mary. Satan can read the Bible. He knows that way back in Genesis 3:15, notice again the Rosary numbers, that Mary and her seed are destined to crush the serpent's head. Satan knows the his time is short. The numerology of these plane crashes is not insignificant. This was the fourth plane crash this year with significant End Times numerology.

You remember the Buffalo plane crash with 44 passengers and 4 crew members killed. You remember the New York City plane crash with 155 passengers and 5 crew members were saved. 444 is an evil End Times number. 555 is a good End Times number because it signifies the Rosary. Some people may wonder is numerology really that important in the End Times?

Remember the last warning in the Bible. Saint John writes, "Do not add or subtract to the words of his prophecy in the book of Revelation." Some people think that means you cannot interpret Revelation. Wrong! Saint John says "not to add or subtract." He is talking about numerology. Adding and subtracting are mathematical terms.

What Saint John is saying and what I am saying is that God speaks to us through numerology and I'm not talking about occult numerology. I am talking about holy numerology because God has given numbers their real meaning.

In conclusion, we need to be aware that Satan is going to attack Mary and her Rosary at every chance he can get. End Times numerology is extremely important and we need to understand the meaning of the numbers 153, 15, 444, and of course the most evil number of all 666.
