

Mary's School of Prophecy Another Look at Amazing Lightning Strike

Welcome once again everyone to our World Family Rosary Network where we give praise and honor to the Blessed Virgin Mary because she is the woman prophesied way back in Genesis chapter 3, verse 15 to crush the head of the serpent, and no other denomination including my own Roman Catholic faith teaches that truth any longer. That's because all of Christianity is under the great delusion of these End Times. They all claim that it will be Jesus who crushes the head of the serpent, including father Mitch Pacwa, including EWTN, but that is totally unscriptural because nowhere in the Bible is there ever any physical contact between Jesus and an evil entity.

The physical contact is always between the woman and either Satan or the Antichrist. And we see that for example when Jahel drives a tent peg through Sisara's forehead and Queen Debhora gives Jahel the title, blessed among women of the tent, and of course that prefigures Mary's title which is blessed among all women. And we see the entire chain of command in the Book of Esther where we, in the End Times pray to Mordecai, who represents the last Pope, Petrus Romanus.

Okay everybody now this picture is the lightning strike. Remember the lightning strike? This lightning strike occurred at the Vatican, the day Pope Benedict resigned, and it was a sign from Almighty God that He was displeased with Pope Benedict's resignation even though in the Bible, Almighty God himself appoints the False Prophet and He appoints the Antichrist, but that doesn't mean He's happy about doing it. He does it as a punishment to mankind and He doesn't really want to punish mankind but He has to out of justice. So anyway He's displeased that Pope Benedict resigned and He struck the Vatican with lightning at exactly 5:55 p.m. and I've done quite a few videos showing that.

Well anyway I'm going to show this to you because I got a comment on my new video yesterday and this person, Mary I think it was and I asked her to tell me who had told her about this. Maybe she discovered it herself and she said that the lightning strike shows the profile of Donald Trump. So take a look at this, and I think she's right. Doesn't that look like a profile of Donald Trump? I would say so. I would say that's his chin at the bottom and his nose towards the top. What do you think? Doesn't that look like a profile of Donald Trump? And I think she's right. So

take a look at that and see if you have some other suggestions, or if you think that's a stretch. I don't think it's a stretch and in fact I think I might do a video on this. I think Almighty God is telling us that

Donald Trump is the one who is going to strike the Vatican for putting off Benedict. So I thought that was fascinating and it reminds me of the Jacinta 1972 picture which came out of Bayside. I'm sure most of you remember this. Now this was like 15-20 years ago, and a lot of people have tried to figure out this picture. Now I'll show you the picture.

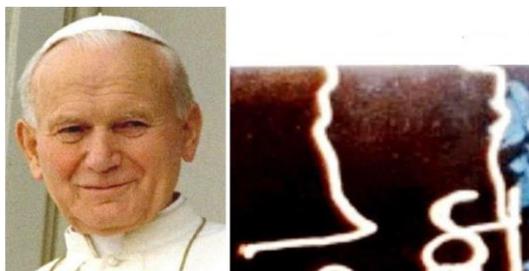

Here's the original Jacinta 1972 picture, obviously a very unusual visual expression in a photograph, and of course those lines were not seen by the person taking the photograph. The photographer took a picture of the statue of Mary which you can see in the background, and Mary told Veronica that within this picture lies the date; the hour, the day, the month and the year of the chastisement. So people have always looked for numbers, but what I have

discovered is, if you turn this picture on its left side or on its right side, you get some other images.

For example on the right hand side, what you see there is a picture of the United States on edge, and let me show you what that looks like when you put it right side up. Now you see what I'm saying how that is the outline of a map of the United States? And that's in this Jacinta picture. Does that mean that the chastisement is going to befall America?

Now if you turn the Jacinta picture the other way. Turn it on the other end; you get an image of Pope John Paul II. See those the lines coming in from the left hand side of that Jacinta picture? In my opinion that's

who I see up there. I see the outline of St. Pope John Paul II, and I don't know what the significance would be. The chastisement did not occur as far as I know during his reign. Maybe it has to do with something in the future. Maybe it has to do with Donald Trump and Melania going to the Pope John Paul II Memorial. Maybe that's the relationship. In any event, that's my interpretation of the Jacinta 1972 picture, and as I say, it's similar to seeing Donald Trump in that lightning strike.

So if anyone wants to comment on that. Catholic Crusader says, "Yes I saw Donald Trump's profile. It's on the right hand side." I did not discover this. I think it was Mary and I asked her to tell me more about it but she never got back to me. To me that's Donald Trump's profile, and he's looking to the right and it also looks something like Franklin Delano Roosevelt. He had a chin that kind of stuck out like that, but to me that is Donald Trump which is another sign from Almighty God

about Donald Trump. In this case I think he is the one who is going to defeat the taken-over Vatican, and really that is also prophesied in Micah 5 and Isaiah 45. He will be our peace when the Antichrist comes into our land.

And “our land” in that particular quotation refers to the Catholic Church, and the Assyrian has come into our land right now. “Our land” is referring to the field and referring to the Catholic Church, because Wormwood, the False Prophet is making the water bitter, and that means that he is against rules and discipline. He supports the lawless one, and we see that in this country. Lawlessness has taken over, which is the spirit of the Antichrist. The spirit of the Antichrist is roaming throughout America right now, going from city to city introducing lawlessness, getting rid of police.

Pretty soon they'll get rid of fire departments. Can you imagine trying to get insurance for your house if there's no police or firemen in your community? Forget it. Not only will the insurance be sky-high, you wouldn't be able to buy insurance, and the value of your house: what's the value of your property going to be if there's no police or environment any longer? It'll be worth the zilch. All of your lifetime investment of your house and your property will be gone. Nobody's going to want to move to your community where there's no police or fire people but that's what the lawless one wants. He wants chaos and Pope Francis wants chaos also.

He said in his apostolic exhortation Querido Amazonia that he is against rules and discipline. Just the opposite of what Jesus said. Jesus said my burden is light and my yoke is sweet. Notice that word “sweet”. Jesus said if you love me, keep my commandments. God's laws are sweet. Pope Francis that is Wormwood's lack of laws or opposing laws or lawlessness is bitter, and that's exactly what the Bible says that Wormwood does. It causes the waters to become bitter. And don't listen to the false prophets all over YouTube who say that Wormwood is some kind of asteroid because it's not Wormwood. It's a person, and we know who that person is, and Jeremiah verifies that in his chapter number 23.

And so I did post a new video yesterday, and I hope all of you watched it. It's probably controversial because people don't believe that Melania could possibly be a foreign agent, but I'm not discounting that possibility. I'm not saying that she is. I mean, how would I know? I'm just saying be prepared for that. One of the strategies of the Deep State, that is the Scarlet Beast, against Donald Trump is to get his former supporters to abandon him, to betray him.

And of course we saw that with “Mad Dog” Mattis, the general. These are all people favoured by Donald Trump and they stab him in the back. Mitt Romney was endorsed by Donald Trump in his senate run. Mitt Romney had no qualms about trying to get Donald Trump to endorse him, but now does he turn around and endorse Donald Trump? No. It's just the opposite. He stabbed him right in the back. I think he's at Senate in Utah and I hope they start a recall campaign against Mitt Romney. People in Utah, wake up. That's a good project for you. Start a recall campaign against Mitt Romney.

So may God bless all of you and may all of you have a very blessed day.
