

Mystery of the Olympic Rings

Would you believe Almighty God is once again warning America at these Olympic games that we are about to face our imminent demise? As you know, in Bible prophecy, in Daniel, chapter number 7, the Leopard, which symbolizes Barack Obama and the United States, is followed by the fourth and final beast, the Antichrist and the One World Government.

And God warned us about this at the last Summer Olympics. Do you remember when Serena Williams won her gold medal? The American flag fell during that ceremony exactly at the words *'our flag was still there,'* and Serena Williams was wearing one black sneaker and one white sneaker. That's because she was a stand-in for the Leopard. The Leopard is both black and white, and the Leopard has four heads and four wings, and the leopard symbolizes Barack Obama and the United States. And God is telling us the exact same thing in this Winter Olympics, in this amazing ring malfunction. And I'll get to that in just a minute because there is amazing symbolism in what happened when that fifth snowflake failed to open up into a ring.

First, I want to take a look at Vladimir Putin getting into the cage with a leopard. A lot of people have asked me what is the significance of that, and this again tells us that Vladimir Putin and Russia are going to defeat the Leopard and the United States. Again, a verification of Bible prophecy because Putin is the last King of the North in Daniel 11, and Obama is the last King of the South in Daniel 11, verse number 40. Of course, as far as Putin is concerned, this is just another photo op to show how macho he is.

But he does seem to be obsessed with leopards. I wonder if he has an inkling that the leopard is a symbol of his opponent on the world stage, Barack Obama? He is trying to show that he should be the number one

world leader because he's cool, calm, and collected. He has no fear of a wild and unpredictable leopard. This leopard by the way, attacked a cameraman who got into the cage with Putin. Putin is telling us that he is going to defeat the Leopard, and that coincides with Bible prophecy.

And now let's look at this amazing ring prophecy. I don't know how many more of these warnings Almighty God is going to give America, but this was no accident. All five of these were snowflakes which were supposed to morph into the familiar five ring Olympic logo, however, one of the snowflakes failed to open and thus we have four standard Olympic rings followed by a snowflake; and this is also a verification of Bible prophecy.

As you know, Barack Obama's number is number 4 in Daniel and he is followed by the fourth and final beast. And it's interesting that these four rings are followed by a snowflake that has 18 points, and of course 18 can be broken down into 6 plus 6 plus 6. Let's take a little closer look at this logo. Yes, it really is amazing that they chose an 18 point snowflake which signifies the Antichrist number of 666.

But these four rings, which precede 666, actually consist of three rings each, and therefore they yield Barack Obama's number in Bible prophecy: 444. And if you don't believe me, let's take an even closer look. Here is a close-up of a snowflake as it is morphing into an Olympic ring. And you can see, as I mark the three individual rings in red, one ring plus a second ring plus a third ring, that in fact, there is a total of three separate rings. And thus, the four rings are actually 4 plus

4 plus 4 rings and 444 is Barack Obama's number and America's number in Daniel, chapter 7, Daniel, chapter 8, and Daniel, chapter 11.

Also, this ring which the snowflake failed to morph into is the red ring of the Olympic logo and it is traditionally associated with the Americas, both North and South America. This entire malfunction is a verification from Almighty God that the prophecies of Daniel apply to the United States today, and that 444, the number for Obama and America, will be succeeded by and followed by 666, the number for the Antichrist and the One World system.

This prophecy is no different than the Serena Williams' prophecy during the summer games when the American flag fell during that gold medal ceremony, and Serena Williams wore one black sneaker and one white sneaker. Both of these prophecies are telling us about the imminent downfall of the United States of America. I think both of these events have gotten a lot of attention because deep down inside people understand that something very mysterious is going on here. I think they realize that we are in the End Times. They realize that America is at her end and that the Antichrist, the False Prophet, and the One World beast system is about to take over the entire planet. God is telling us the exact same thing He told in Daniel's prophecies of two thousand years ago; He is telling us today: 'Wake up people! America is at her end!'

And if you would like to unseal all the prophecies of Daniel, please go to my new thirdeaglemedia.com website, download those PDF files because you cannot understand Daniel as he is printed in your Bibles. Those prophecies are sealed up. You must rearrange both the verses and the chapters if you want to understand the very near future of our country and the entire planet when we come under the reign of the Antichrist.
