

Number Prophecy in Daniel with Improved Visuals

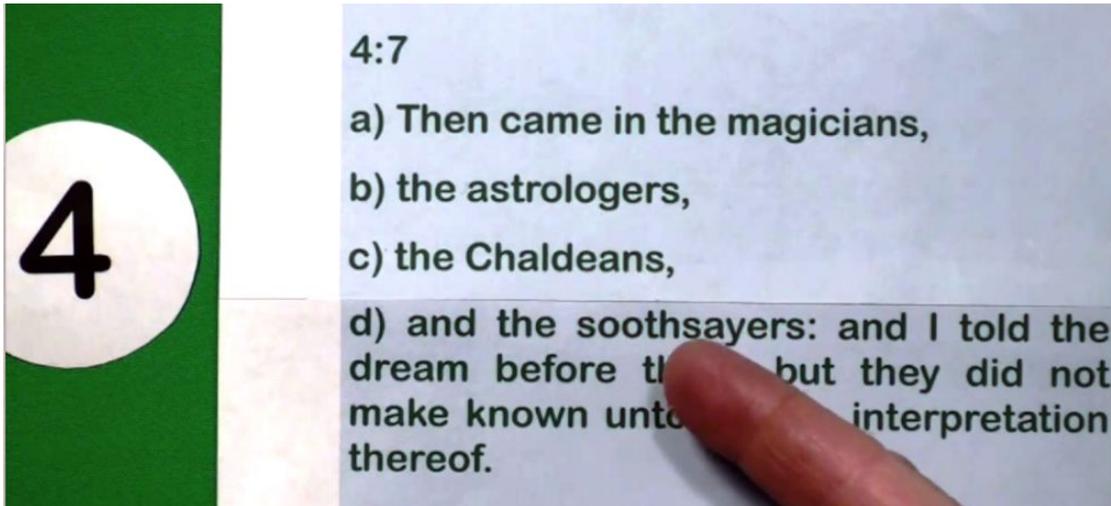

This is just a quick video to correct some of the misconceptions that came out of my previous video, about the numerology in Daniel chapter number 4. In those passages, I underlined certain words to emphasize the point I was trying to make, and it did not work out very well, so this time I am going to separate the concepts, so that you see exactly what I mean.

For example in verse number 3, How great are His signs How mighty are His wonders, His kingdom is an everlasting kingdom and His dominion is from generation to generation. In other words, there are four concepts in this very first passage.

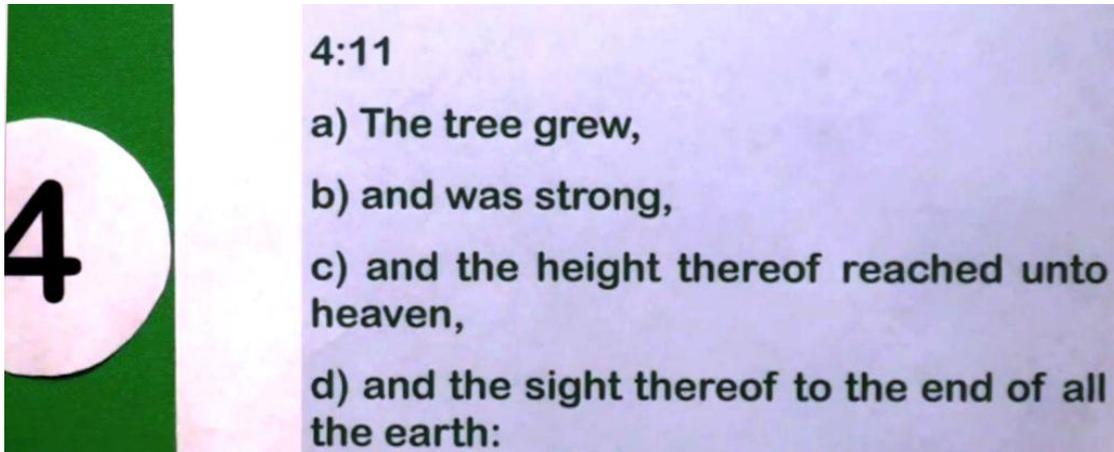

So these four descriptions of God are great signs, mighty wonders, an everlasting kingdom, and a dominion from generation to generation; four clear concepts.

Now moving on to verse number 7 in Chapter number 4. Then came in the magicians, the astrologers, the Chaldeans and the soothsayers; another four different items.

Now these are the four false prophets which King Nebuchadnezzar calls in, to explain his dream, that is, magicians, astrologers, Chaldeans and the soothsayers; four different groups of people.

Now in verse number 11, Daniel describes four aspects of the tree. The tree grew, it was strong, the height thereof reached unto Heaven, and the sight thereof to the ends of the earth. Daniel describes four aspects of this tree which King Nebuchadnezzar saw in his dream.

First the tree is a growing tree, second, it is strong, third, its height reaches to Heaven, and the sight thereof to the ends of the earth; four more different concepts.

Now these three different verses, with four different items in each verse; that pattern is not repeated anywhere else in the entire chapter. What do these symbolize? These symbolize Barack Obama. It's hard to believe that 2500 years ago, Daniel was prophesying the last president of the United States, with this numerology. Of course we know Barack Obama's number is 444.

And now in the next three verses we'll look at, Daniel switches to six items per verse, and the reason for that is, 666, that is the evil forces of the One World Government and the Antichrist will succeed Barack Obama.

So following the 444 pattern, Daniel establishes a 666 pattern, starting in verse number 12.

The leaves thereof were fair, and the fruit thereof much, and in it was meat for all, the beasts of the field had shadow under it, and the fowls of the earth dwelt in the boughs thereof, and all flesh was fed of it. Six different items.

4:12

- a) The leaves thereof were fair,**
- b) and the fruit thereof much,**
- c) and in it was meat for all:**
- d) the beasts of the field had shadow under it,**
- e) and the fowls of the heaven dwelt in the boughs thereof,**
- f) and all flesh was fed of it.**

Six more descriptions of the tree, fair leaves, much fruit, meat for all, the beasts of the field live in its shade, the birds of Heaven dwell in its branches, and all flesh is fed from it; six different concepts.

Continuing now in verse number 14; he cried aloud and said thus, hew down the tree, cut off its branches, shake off its leaves, scatter his fruit, let the beasts get away from under it, and the fowls from under his branches.. The angel says to cut down the tree, which symbolizes Nebuchadnezzar.

4:14

- a) He cried aloud, and said thus, Hew down the tree,**
- b) and cut off his branches,**
- c) shake off his leaves,**
- d) and scatter his fruit:**
- e) let the beasts get away from under it,**
- f) and the fowls from his branches:**

Hew down the tree, cut off its branches, shake off its leaves, scatter its fruit, let the beasts get away from under it, and the birds from its branches.

Continuing now in verse number 15. Nevertheless leave the stump of the roots in the earth, bound with a band of iron, and of brass, in the tender grass of the field, and let it be wet with the dew of Heaven, and let the portion be with the beasts of the grass of the earth.

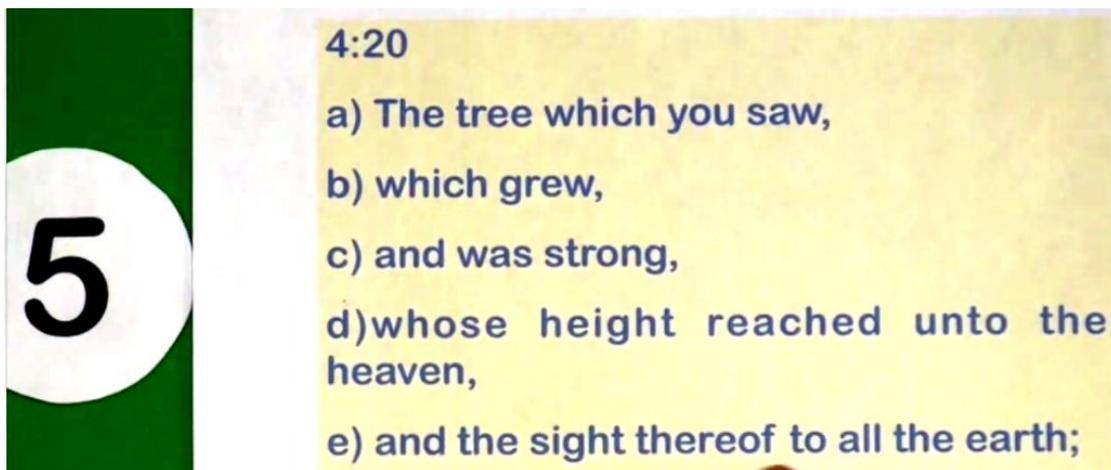

4:15

- a) Nevertheless leave the stump of his roots in the earth,**
- b) bound with a band of iron,**
- c) and of brass,**
- d) in the tender grass of the field;**
- e) and let it be wet with the dew of heaven,**
- f) and let his portion be with the beasts in the grass of the earth:**

Leave the stump of the roots, bound with a band of iron, and brass, leave it in the tender grass of the field, let it be wet with the dew of Heaven, and let his portion be with the beasts in the grass of the earth. Six more different descriptions of this tree after it is cut down; six different items. So now we have three, although they're not consecutive

verses they're very close together. They follow the three previous verses with four items each. These all have 6 6 6 items, and of course that indicates the evil; the evil forces which will defeat Barack Obama. That is the prophecy that Daniel is establishing here in chapter number 4.

And now we will look ahead, and see the verses which defeat the Antichrist. Now in verse number 20, Daniel begins the sequence which symbolizes the Rosary. The tree which you saw, which grew and was strong, whose height reached unto the Heaven and the sight thereof to all the earth.

Now what's interesting about these five items, is that it's the same as verse number 11, which had only four items, but Daniel added one item to make sure he had his five. The tree which you saw, which grew, was strong, whose height reached to Heaven, and the sight thereof to all the earth. Now these four descriptions were the same as back in verse number 11, but this was added; 'the tree which you saw'. That gives us five different descriptions.

Now Daniel continues this sequence of fives in verse number 21. Whose leaves were fair, and the fruit thereof much, and in it was meat for all, under which the beasts of the field dwelt, and upon whose branches the fowls of the Heaven had their habitation. Now to again verify that Daniel knows what he is doing, he has taken a previous verse that had six items, and taken one away this time, to get his five different items. Fair leaves, much fruit, meat for all, the beasts of the field dwell under it, and the birds live in the branches.

4:21

- a) Whose leaves were fair,
- b) and the fruit thereof much,
- c) and in it was meat for all;
- d) under which the beasts of the field dwelt,
- e) and upon whose branches the fowls of the heaven had their habitation:

Now these five are the same, as back in verse number 12, but one has been taken away, and that was, the last description, that all flesh was fed of it.

Now in chapter number 11, Daniel follows this exact same sequence through the verse structure; that is, there are 4 4 4 set of verses followed by 18 verses in a 6 6 6 pattern, followed by 15 verses in a 5 5 5 pattern. Now here in verse number 4, Daniel acknowledges that in the End Times, there will be four mysteries of the Rosary and that's why, starting in verse number 23 are actually 10 items.

'And whereas the king saw a watcher and a Holy One coming down from Heaven and saying hew the tree down, and destroy it, and yet leave the stump of the roots thereof in the earth, bound with a band of iron.

4:23

- a) And whereas the king saw a watcher and a holy one coming down from heaven, and saying,
- b) Hew the tree down,
- c) and destroy it;
- d) yet leave the stump of the roots thereof in the earth,
- e) bound with a band of iron

And the king saw this angel, the angel says to hew the tree down, destroy it, leave the stump, bound with a band of iron, and brass, and in the tender grass of the field, and let it be wet with the dew of Heaven, and let his portion be with the beasts of the field, till seven times passed over him.

And the last five; brass, tender grass, let it be wet with the dew of Heaven, let his portion be with the beasts of the field, till seven times pass over him; the last five of this 5 5 5 verse sequence.

f) and brass,
g) in the tender grass of the field;
h) and let it be wet with the dew of heaven,
i) and let his portion be with the beasts of the field,
j) till seven times pass over him;

Now it's interesting what this band of brass and iron are. The band of brass symbolizes the One World Religion, the band of iron symbolizes the One World Government, and the stump symbolizes all that will remain of Western civilization during the seven years of Tribulation.

So two of the ways that Daniel verifies that his numerology is not accidental, all of these verses with their number of items are in the same chronological sequence, and secondly, the five item verses are very important, because one item was added to a four verse section, to get one 5, and one item was taken from a six item section to get the other 5. This proves that Daniel knew exactly what he was doing; that he wanted the verses with fours, the verses with fives and the verses with sixes.

So now I hope, the separating of these items within the verses, is a little clearer than underlining them as I did, in my previous video, because the numerology in Daniel chapter number 4 is amazing, and it has not been understood for 2500 years, because it is not pertinent until now. Now that Barack Obama has been elected. The 4 4 4 refers to him, and in the next video in this series, I will consider Nebuchadnezzar's dream in chapter number 4, because Nebuchadnezzar is a forerunner of Barack Obama, just as Babylon is a forerunner of the United States.
