Donald Trump's Middle East Peace Plan in Bible Prophecy

Now welcome once again everyone to Mary's School of Prophecy. I'm your professor William Tapley and there was a development over the weekend which I thought we ought to discuss on our program today, and that is the possibility that Donald Trump will present his Middle East Peace Plan within days or within weeks in other words before the March 2nd election in Israel, and I think he will. I'm predicting that myself, and there was an article yesterday in Axios, which is a United States website, and it was picked up today by The Jerusalem Post so I'm going to read excerpts from both of those articles, and then I'm going to show you where that is very possibly found in Bible prophecy, which shows you how close we are to the end.

I want to comment later today about how the false prophets get all excited about this, but they interpret early and they interpret it all wrong, and they interpret it wrong for two basic reasons. First of all, they don't unseal prophecy before they interpret it, therefore they get the interpretation wrong, and also they work from very poor translations which of course lead to poor interpretation.

I want to just read a little bit now. This is the [article](#) I first noticed yesterday and this was in Axios yesterday, January the 19th and I'm not going to read all of this. I didn't have time to edit this, so let me just pick and choose here, so you'll get the idea of what's going on. And I wasn't familiar with this particular website but evidently they're a news gathering organization.

Barak Ravid, Israel's Channel 13 news commentator: This is, as I said was yesterday.

“President Trump is expected to decide in the next several days whether to present the White House's Middle East peace plan before Israel's March 2 elections, Israeli and U.S. sources told me.

Why it matters: if the plan is presented before the Israeli elections, it could influence the campaign and possibly provide a boost to embattled Prime Minister Benjamin Netanyahu.”

Both Netanyahu and Trump are hated by the Deep State. In fact Barack Obama spent millions of US taxpayer dollars at trying to defeat Netanyahu in his last election.

“If Trump decides to wait, it could become difficult to present the plan at a later stage because of the presidential campaign in the U.S.

Behind the scenes: There have been intense deliberations over the past several days among the Trump advisers tasked with dealing with this issue. Trump himself still hasn't had a discussion with his team on whether to present the plan before the Israeli elections. Israeli and U.S. sources tell me Trump's decision will be influenced by several factors:

- ***Developments in the impeachment process in Congress.***
- ***The meetings Trump and his senior adviser Jared Kushner will have with different leaders from the Middle East and Europe during the World Economic Forum in Davos this week, where the peace plan will be one of the topics raised.***
- ***Kushner is expected to travel from Davos to Jerusalem on Wednesday to participate in the Fifth World Holocaust Forum, where he is likely to meet Netanyahu and his political opponent Benny Gantz – the leader of the Blue and White party - and discuss the peace plan.”***

And I think this writer Barak Ravid is suggesting that Netanyahu would like the peace plan brought forth. I suspect because it's favourable to Israel, and Benny Gantz does not want it brought forth because it would hurt his chances. And that's why I think Donald Trump will bring it forth, because I think he recognized that Netanyahu is a kindred spirit, and they've always gotten along, and that's my prediction also.

Now this is from the Jerusalem Post, and let me see. The first part of this [article](#) was basically a repeat of what I just read for you. Let me see, Trump's Deal of the Century. This is what Donald Trump calls his peace plan, the “Deal of the Century”.

“Trump’s ‘Deal of the Century’ to resolve the Israeli-Palestinian conflict has been the focus of much speculation. A December report by Lebanese pan-Arabist TV channel al-Mayadeen said that a draft copy of the plan showed Jerusalem would remain united mostly under Israeli control, with some responsibilities shared with a Palestinian state.

The reports also claimed that the plan includes the formation of ‘New Palestine’ in the West Bank and the Gaza Strip, with the settlement blocs to become part of sovereign Israel.

Netanyahu promised to annex the Jordan Valley before the end of the second election last fall. Then, US special envoy Jared Kushner advised the prime minister to wait until the plan is released.”

The plan was supposed to be released after the last election, but since there was no clear winner, it's been put off. So push is coming to shove right now and Donald Trump is going to make a decision as they are suggesting this week and I think it **will** be this week, and I certainly hope that Donald Trump brings this forth in order to help Benjamin Netanyahu.

Now I want to look at the problem with Donald Trump signing a peace treaty with Israel, or as Daniel 9 says, confirming a covenant, and that's because the false prophets have been saying for dozens of years, many decades; I suspect it comes out of the Dallas Theological Seminary, that the person who confirms the covenant in Daniel 9 is the Antichrist, and this is based on the false assumption that Daniel

9:26 and 9:27 are in chronological sequence and they are not. Daniel 9:27 does not follow 9:26. They are in fact pairs. You have to understand that, as we've been saying all along on this program, you have to unseal the prophecy. You have to understand the structure of the verses before you can attempt to interpret it, and I can see that if you don't understand the verse structure; if you don't unseal it, you are going to make a mistake.

So let's take a look at Daniel 9:26 and 9:27 and you'll see the problem that we are in, as far as the false prophets go, because here's what's going to happen. If this peace treaty is ratified in Israel before the March 2nd election, and I know if it is and I hope it helps Netanyahu, the evangelicals in this country are going to accuse Trump of being the Antichrist. In fact some already are, and this is all based as I say on a misinterpretation of a Bible prophecy, and this could hurt Donald Trump. And I hope he doesn't make his decision to not release a peace plan, because someone will tell him that it will hurt him with evangelicals who will claim he's the Antichrist.

So let's go through Daniel 9:26 and 27, and because these verses are not in chronological sequence, once you unseal the prophecy, you will see that they are parallel verses. They actually tell the same story from a slightly different view point. And 9:26 and 27 have both a near time fulfilment. Jesus is the Anointed One in the near time fulfilment. In the End Times fulfilment, I have been suggesting for quite a while that the Anointed One is Benjamin Netanyahu. It could be Donald Trump.

Let's read this these two verses, because these are extremely important certainly for the nation of Israel, because we find in these two verses the abomination of desolation as it affects Israel. Just like Daniel 10 verses 3 and 12:11 tell the abomination of desolation as it affects Catholics; 9:26 and 27 talk about the abomination of desolation as it affects the End Times nation of Israel.

Let's look at those verses and I've color-coded these so you can see the four parts of them.

| | |
|---|--|
| <p>26 And after sixty-two weeks the Anointed One shall be cut off, but not for himself:</p> <p>and the people of the prince who shall come, shall destroy the city, and the sanctuary;</p> <p>and the end thereof shall be with a flood,</p> <p>and after the end of the war the appointed desolation.</p> | <p>27 And he shall confirm the covenant with many, in one week:</p> <p>and in the midst of the week he shall cause the sacrifice and the oblation to cease:</p> <p>and there shall be in the temple the abomination of desolation:</p> <p>and the desolation shall continue even to the consummation, and to the end.</p> |
|---|--|

So Daniel 9 verse 26: **“And after sixty-two weeks the Anointed One shall be cut off but not for himself.”** The Anointed One of course in this case is Jesus. After 62 weeks means that actually after 62 plus 7 weeks and you get that from the previous verse. It's actually after 69 weeks. After 69 weeks of years of the 70 week year prophecy from the time when Artaxerxes gave forth the commandment to restore and rebuild Jerusalem. So Jesus fulfilled this. He is the Anointed One and He is cut off at His crucifixion. Now let's look at 9:27 which is the corresponding verse, and also refers to Jesus.

Daniel 9:27 **“And he shall confirm the covenant with many in one week.”**

So the first part of 9:27 corresponds with the first sentence in 9:26. And **“confirm the covenant with many”**, refers to the Messianic covenant. Jesus was the Messiah for the Jews. He confirms it with many, because many did follow him but many did not. Others did not. That's why he didn't say **all** and he doesn't say **most**. He says **many**. Many of the Jews did follow Jesus and **“in one week”** means that's the same timeframe that we see in the first part in 9:26 which was **“after sixty-two weeks”**. That is the start of the one week in 9:27. So now let's look at the second part of each verse.

26: (cont.) **“And the people of the prince who shall come, shall destroy the city, and the sanctuary;”**

27: (cont.) **“and in the midst of the week, he shall cause the sacrifice and the oblation to cease”**.

So I read those two verses, 26 and 27, the second part sequentially. They both refer to the same person. They refer to the Roman General Titus who laid siege to Jerusalem in 70 AD and took the city and fulfilled that prophecy to perfection. Let's look at the third part of each verse.

26: (cont.) **“and the end thereof shall be with a flood.”**

27: (cont.) **“and there shall be in the temple the abomination of desolation”**.

So this is the abomination of desolation that affects the Jews. Now in the End Times, the abomination of desolation is going to be the taking away of Judaism from the nation of Israel. And who is going to do this? Well we will see that in just a minute. So let's read the last part of these verses.

26: (cont.) **“and after the end of the war the appointed desolation.”**

27 (cont.) **“and the desolation shall continue even to the consummation and to the end.”**

So I think it's pretty obvious that 26 and 27 are related but now I'm going to show you where, and these two verses have an End Times prophecy also. We looked at the near time fulfilment. The End Times fulfilment we'll look at in just a minute, and I'll show you where the false prophets make their mistake. They look at the last part of verse 26 and think that the “he” in the first part of 9:27 relates back to the last part of verse 26. So the last part of verse 26:

“After the end of the war the appointed desolation.” 27: **“And he shall confirm the covenant with many in one week”**, referring back to the people of the prince who shall come. And they interpret that as being the Antichrist, the prince who shall come shall be the Antichrist. I don't think even in the End Times this prince is the Antichrist, but anyway, because they look at these two verses as if they were in chronological order, you can see where they would make that mistake, but I think we've shown pretty clearly that they're not in chronological order. They are in pairs.

So now let's look at the End Times interpretation. **“After sixty-two weeks the Anointed One shall be cut off”**. Now is this Benjamin Netanyahu? And verse 27: **“And he shall confirm the covenant with many, in one week”**. Is that the covenant that we are talking about, the End Times covenant? In this case, it's not the Messianic covenant. For a long time I thought it was. I believe this is the Abrahamic covenant in which the Jews are given the land of Canaan. I believe that is the covenant that the Anointed One in the End Times confirms.

I think that this covenant that Donald Trump is presenting, this peace plan will be based on the Abrahamic covenant, and I think that they will be given the Jordan Valley in order to secure, just as Donald Trump recognized the Golan Heights as part of Israel, even though it's part of Syria, because it's necessary for the defence of Israel. In the same way with the Jordan Valley which I believe this peace plan will also give to Israel and as a way of protecting the country. In other words the Covenant they will be confirming is the Abrahamic covenant, and I even though I think it is Trump's covenant, I think that Netanyahu will get the credit for it and I'm hoping that the president does reveal it, and that it does help Netanyahu be elected.

So let's read the rest of this now. 26 (cont.): **“And the people of the prince who shall come shall destroy the city and the sanctuary”**, 27 (cont.) **“and in the midst of the week he shall cause the sacrifice and the oblation to cease.”**

In other words, after this covenant is confirmed that Israel is granted sovereignty to the land of Canaan, and this is ratified, confirmed in these End Times by the authority of the United States under Donald Trump, and I believe Benjamin Netanyahu will be given credit for it, I believe he is the Anointed One, this is not going to make the Deep State happy one iota. They want chaos in the Middle East, just as Donald Trump's predecessors have brought to the Middle East; people like George W Bush or Barack Obama.

Their whole idea was to bring chaos to Baghdad, to Libya, to Syria, all of the areas, Damascus; they want Iran, Iraq; they want chaos and war. The Deep State wants war. This is how they can bring in the Antichrist. So by bringing peace to the Middle East, this will be one of the biggest losses for the Deep State. And the Antichrist who is I'm sure working behind the scenes, will realize that he's got to do something about it, and he will bring in this prince and I'm sure this is the Prince of Persia.

So let me just read those two verses again I suspect that this prince is Putin who is going to come in and try to take. He will be the instrument from the Deep State, since the Deep State no longer controls the presidency of the United States; I think that they will use Putin. I think Putin fulfils this part of the verse. Let me read those two verses again.

26 (cont.) **“And the people of the prince who shall come shall destroy the city and the sanctuary”**, 27 (cont.) **“and in the midst of the week he shall cause the sacrifice and the oblation to cease.”**

So I'm predicting that and I'm not sure it's Putin. It's certainly going to be some representative of the Deep State will thwart this peace plan that Donald Trump is going to bring forth, but certainly don't listen to the false prophets who say that the peace plan is brought in by the Antichrist. That's not true. In fact I don't even think that this prince who comes is the Antichrist. As I say, I think it's Putin. So let's read the last part of 9:26 and 9:27. And what happens after the Deep State defeats this covenant?

26 (cont.) **“And after the end of the war the appointed desolation”** 27 (cont.) **“and the desolation shall continue even to the consummation and to the end.”**

Now the end is Armageddon when Jesus will return and restore Israel. He'll restore the Jews and restore Israel and convert the Jews, and that is what Daniel means by “the end”.

Now the other problem with the false prophets, as I have been saying all along; they misinterpret because they don't unseal the prophecy first, and this is a good example. If you watch Irving Baxter for example or JD Farag, they all claim that the peace process or the peace agreement or the confirming of the covenant is all done by the Antichrist. As you can see, that's because they believe those two verses are in chronological sequence.

So now I want to show you a verse in Zechariah 12:2, which describes Israel in these End Times at the current time. And the false prophets rely on the King James Version, which is horrible translation, just the opposite of the truth, whereas the Douay Rheims Bible is correct. And this is Zechariah 12 verse number 2, the

| <p>12:2 DRB Behold I will make Jerusalem a lintel of surfeiting to all the people round about:</p> <p>and Judah also shall be in the siege against Jerusalem.</p> | <p>12:2 KJV Behold, I will make Jerusalem a cup of trembling unto all the people round about,</p> <p>when they shall be in the siege both against Judah and against Jerusalem.</p> | <p>first of his three End Times chapters 12, 13 and 14, the second verse. The Douay Rheims version is on the left.</p> <p>“Behold I will make Jerusalem a lintel of surfeiting to all the people round about:” Now “the lintel of surfeiting”; surfeiting means it's a doorway to luxuriousness, and that is exactly the correct</p> |
|--|---|---|

description of Israel today, and it coincides with what John says in the Book of Revelation, where he describes Jerusalem as a Sodom and an Egypt. A lintel of surfeiting; surfeiting means luxuriousness and the Bible says that luxury was the cause of Sodom and Egypt. Are you aware of that? And of course Israel spends hundreds of millions of dollars to promote Tel Aviv as the gay capital of the world, so the good Douay Rheims Bible is correct.

And let's just read what the King James says in there for the first part of Zechariah 12:2: **“Behold I will make Jerusalem a cup of trembling unto all the people round about.”**

This is a terrible translation. They're describing Israel in terms of physical strength, and they are a mighty nation as far as that goes in the Middle East. That's not what Almighty God is saying. Almighty God says that they are a lintel of surfeiting because He's going to describe why they are going to be destroyed.

Now let's look at the second part of Zechariah 12 verse number 2.

“And Judah also shall be in the siege against Jerusalem”. And this is division. This is a characteristic of the Daniel 9 war by the way, which is part of World War 3, and the Douay Rheims is correct here, that there will be a division in Israel. That's part of World War 3, but the King James says just the opposite. Let's look at what they say. **“When they”**, and that refers back to the people round about, **“they shall be in the siege both against Judah and against Jerusalem.”**

Now it can't be both. It's got to be one of the other. Either Judah is against Jerusalem or the enemies are against both Judah and Jerusalem, and the King James Bible is incorrect. You can always trust I wouldn't say always, but 99.9% of the time you can trust Saint Jerome in getting it right, because even when it didn't make a lot of sense, he was accurate. His goal was to make it accurate. The only time I can think when he did not make it accurate was when in Daniel 9 where he said he changed the Anointed One to the Messiah knowing that it was referring to Jesus. In fact I don't think with Daniel 9 I gave you the Douay-Rheims, because I think he changed it to Messiah, because in that case he was right The Anointed One is Jesus in the near time fulfilment, but he should have been more accurate and should've said Mashiach and then it would've been accurate for both, but that is the very rare exception. You always look at Jerome's translation first.

Okay everybody I think that those are the two points I wanted to make and so we're going to have to keep track of this peace treaty and the confirming of this covenant because, as I say Donald Trump will be under attack from the evangelicals because of this, based on their false interpretation of Daniel 9, okay.

So until I see all of you again may God bless all of you and may all of you have a very blessed evening
