

Will Pope's Consecration of Russia Fulfil Dana Coverstone's Dream?

I certainly have a fascinating announcement to make today and I'm sure many of you already know or have heard that the Vatican announced today that Pope Francis will consecrate Russia to the Immaculate Heart of Mary, ten days from now on March the 25th. This is a stunning announcement and of course we are all hoping and praying that his consecration of Russia will work, because the popes have been theoretically talking about it for many years. In fact if you watch Taylor Marshall's program today, I guess many popes have flirted with the subject, but none of them have actually consecrated Russia to the Immaculate Heart of Mary and I have a lot of people give me grief on this and they're very obnoxious about it. They think that I should believe that Pope John Paul II consecrated Russia and he did not, and none of the popes have. Will this March the 25th consecration take place?

And on this program, I want to talk about Fatima in general and this consecration of Russia. And if it succeeds, how will that affect the recent dreams of Dana Coverstone and Amanda Freitas? And I think that's all very significant and also the vision that Kim Clement received back in 2011, eleven years ago and there's a tremendous number of numerical significances to this announcement. For example, what is today's date when the Vatican announced this? Today is March the 15th, 315. As you my regular subscribers fully understand 315 is possibly the most important End Times prophecy in all of the Bible. And that's of course the passage where God puts enmity between the serpent and the woman. And the woman as I've always said of course represents Mary, and God does not say I will put enmity between you and me. He says I will put enmity between you and the woman, and the woman is Mary.

And neither the Catholics nor the Protestants accept that any longer, that Mary or the woman crushes the head of the serpent. I think these events, the fulfillment of the Fatima prophecy will prove that yes indeed it is the woman who crushes the head of the serpent. That's one of the reasons why I believe this consecration by Pope Francis ten days from now will come true. And I mentioned the number 11. Eleven years ago on March the 25th, Kim Clement received an amazing vision about Esther. And he said that the church will have to accept Esther to save America and Dana's dream and Amanda's dream and Kim Clement's vision, it's all about saving America. It's all about the woman saving America and so on. That's what I want to talk about on this program is the significance of Pope Francis' consecration as far as America goes.

And what I'm going to do; now I've been working on this program today after hearing about this amazing announcement, but all I did was make notes. I didn't really work out a program, so you'll have to kind of bear with me on this. I'm going to read the notes I have on the screen. I don't want to miss anything and I'm sure I will miss

something so that's the advantage of you people in the chat. Let me know if I miss something. Practically in all my programs I miss something and then I have to, the next day let people know what I missed. And so I went over the significance of today's date, 315, and as I've been saying all along here on this channel, Genesis 315 is a proto-event. It's a proto-apocalypse not a proto-evangelium. The church has always taught that it is a proto-evangelium but it's not. It's a proto-apocalypse. It's a prophecy not about Jesus saves us from our sins, which would be a proto-evangelium. It's a prophecy of how Mary saves us from Satan, and she does it of course in these End Times. That's why it's incredibly important.

By the way Dana Coverstone has a new dream out today and I will do a decode of that because that's tied into this prophecy also, and I will do a video on that in a couple of days. So first of all, as I say, I'm going to read my notes on this because I admit that's not going to be as smooth as all of my other previous programs are. They are really smooth, you must admit. It will be as smooth as possible and so, first of all, I want to read from the Life Site News. This is where I first heard about it, or no somebody sent me an email. How did I hear about it; anyway here's the [Life Site news article](#) and I'm not going to read the whole article but you should read it.

“Pope Francis will consecrate Russia and Ukraine”, I'm not sure if that's necessary but I think that this will satisfy the requirement, “to the Immaculate Heart Mary, the Vatican announced on Tuesday,” today, “following an appeal made by the Ukrainian Catholic bishops. In an announcement released March 15th,” today, “Matteo Bruni, the director of the Holy See Press Office announced: On Friday the 25th of March, during the Celebration of Penance at which he will preside at 17.00 hours”, it will be 5 o'clock in the afternoon, “in Saint Peter's Basilica, Pope Francis will consecrate Russia and Ukraine to the Immaculate Heart of Mary.” And of course as I say, the popes have dropped the ball on this for the last hundred and what, five years and I'll read that in a minute. “The same act, on the same day will be carried out in Fatima by His Eminence Cardinal Krajewski, Apostolic Almoner, as envoy of the Holy Father.”

Now this is stunning news. In fact all right there's already at least a dozen programs on YouTube about people discussing it, and I already mentioned Taylor Marshall but I saw a couple of others also. I'm going to watch all of them. Taylor Marshall, I started watching his, and he talks about the history of the popes who have come close to consecrating Russia.

So now here is what Mary told the three shepherd children, Lúcia, Francisco and Jacinta in 1917. This was part of the Fatima prophecy. And she talks about Russia spreading her errors. So Mary said that Russia will spread her errors throughout the world. So here's what she said. This is a direct quote from the prophecy that Mary

gave at Fatima. "To prevent this I shall come to ask for the consecration of Russia to my Immaculate Heart and the communion of reparation on the first Saturdays."

Now there are two requests here. The first request is of the popes. The next request is of we the faithful, and that is for us to save ourselves if the popes do not do their job. And in 1929, Mary appeared also again to Sister Lúcia, and she said if the popes do not consecrate Russia, they will follow the example of the kings of France. The kings of France were asked to consecrate France to the Sacred Heart of Jesus, which they also refused to do, and the last king of France was executed by the guillotine as you know. So this is what happens and the same thing will happen to the popes. In fact it may happen to the popes anyway because the shepherd children had a vision of the bishop dressed in white. At least that was the third secret as released by the Vatican.

I'm continuing what Mary said at Fatima. Remember Mary is the greatest prophet of the End Times in the New Testament in our times. "If my requests are heeded, Russia will be converted, and there will be peace. If not, she will spread her errors throughout the world, causing wars and persecutions of the Church. The good will be martyred; the Holy Father will have much to suffer; various nations will be annihilated."

We haven't reached that point yet. Hopefully Pope Francis' consecration will serve to prevent that. "In the end, my Immaculate Heart will triumph. The Holy Father will consecrate Russia to me, and she shall be converted, and a period of peace will be granted to mankind."

So that's very hopeful and I would say this myself, does Pope Francis have the authority? because as I've said all along on here, he's an anti-pope, but remember, I think he will because it's the Office of the Pope that will be doing this consecration, even though he's an anti-pope, it doesn't mean that the Office of the Pope cannot carry out what Mary wants, especially if all the bishops of the world consecrate Russia with him. And I think that would be easy to do and that would include our true pope, Pope Benedict. He is one of the bishops of the world. I really believe that this consecration is going to work. So let me continue with this announcement from the Vatican.

"March 25th is the feast of the Annunciation. No further details were provided about the consecration, but the message was repeated on the Pope's official Twitter account."

So before I get to Dana Coverstone's dream and Amanda Freitas' dream I want to talk about Kim Clement's vision which he received eleven years ago. By the way did I give you that quiz? What is the significance of the number 11 in Bible prophecy for you my subscribers?

So Kim Clement who was another evangelical Protestant prophet received his vision on March the 25th 2011, eleven years ago. March 25th is the Feast of the Annunciation. Kim Clement did not understand the significance of that, neither does Dana Coverstone nor Amanda Freitas understand the significance of their dreams either. I think Dana and Amanda will convert and become Catholic. They have to, and according to Dana's dreams, we've got five months of grace period between April and August. Those 5 is Mary's number. That represents 153 days. That's a Rosary number, so we have a grace period this summer according to Dana's dream to recognize Esther, and not just Protestants, but the Catholics have them recognize it. The Catholic Church has got to change their interpretation of Genesis 3:15.

Dana did publish a new dream today and I can sum up what he's talking about. His new dream emphasizes unity. I believe that will be between Catholics and Protestants and of course his dreams all refer to the United States. He is a prophet to America and he is emphasizing in his newest dream that there must be unity to defeat the enemy. And in Kim Clement's vision which he received about Esther, he said that the Protestants; he didn't use the word "Protestant", he was talking to his congregation, but he when he said the church, I'm sure he meant Protestants, and he asked, "Will the church say yes to Esther?" In other words, yes to Mary.

Esther, in his dream prefigures Mary, and I've done several videos on this. I've explained that, and of course in the Old Testament Esther is a prefigure of Mary and she defeats Haman who represents the Antichrist. In fact we're coming up on Purim, I think tomorrow, and I have suggested that it's possible that the Deep State will provoke a war in the Middle East on Purim, and I've warned Israel about this. With this announcement from the Vatican, the Deep State will be furious because they have succeeded up until now to prevent the popes from consecrating Russia. What will they do to prevent Pope Francis from consecrating Russia? I think they will do something. They have to.

At the end of Kim Clement's vision, in which he said that we have to say, "Yes to Esther", he has his congregation shout out, "Yes to Esther, yes to Esther". You can still watch [that video](#). Just type in Kim Clement March 25th 2011 vision. The whole congregation shouts out, "Yes to Esther". And how many times did they do that? They shouted out, "Yes to Esther", 15 times. That's not accidental. Kim Clement did not understand. I'm sure he didn't count the number of times. If you listen to him, you realize he wasn't counting; 15 is Mary's Rosary number, the five original Joyful decades, five Sorrowful decades and the five Glorious decades, 5 5 5. 5 5 5 is the number in Bible prophecy which defeats 6 6 6.

Now if the pope does succeed in consecrated Russia, that means that there will be something obvious and I am sure it will have to do with this attack on Ukraine. I believe that either the Russians will withdraw, pull back, announce a peace treaty

with Ukraine or there will be some kind of a noticeable effect and people will understand it. Only this consecration of Mary could account for the Russians pulling back and I think that this will result in conversion among the Protestants, as Kim Clement prophesied, they must accept Esther. I believe that this will result in Donald Trump become a Catholic as I have mentioned on here many, many times as prophesied in Isaiah 45 and Micah 5. Not only will Donald Trump become Catholic but his brethren will become Catholic as prophesied in Isaiah 45. All of these things I think will be fruits of this consecration of Russia. In fact as I've been saying for quite a while, Donald Trump leads the Catholic Church in these End Times, very possibly after the popes are martyred, Pope Benedict and Pope Francis.

And if Pope Francis is martyred, is he the "Bishop dressed in white"? That's another possibility, that Pope Francis or Pope Benedict or both will be martyred as the "Bishop dressed in white". Remember, was it Jacinta or Lúcia said, "We thought he was the pope", referring to the "Bishop dressed in white" who was martyred, which is an interesting phrase. Why wouldn't they just say, it **was** the pope? Why did they say, "**We** thought he was the pope", or why did they say, "We **thought** he was the pope"? There's something there that's fishy, I guess you could say, and I've said all along Pope Francis is not a legitimate pope. I think he is found in Daniel. He is not anointed, Daniel 10, verse number 3, but as I say, I think Heaven will accept Pope Francis' consecration because he is acting in the Office of the Pope, even though he's a fraud he was elected by the cardinals, therefore he occupies the Office of the Pope, and that is the office that will bring about the conversion of Russia. In fact the effects could be starting even now. Just the announcement may have the effect, so it'll be interesting the next ten days to see what happens

Now in Dana's dream, the skies are clear. Remember from April to August as I said. That's five months, 153 days, the skies are grey during March, so that would be up through March the 25th, if the consecration of Russia takes place legitimately on March the 25th that will be very noticeable. The tensions will cool. Russia will pull back. There will be a peace agreement and Biden will bring back, I think he has 12,000 troops now in Europe. That's what is meant by the grey skies. Remember in Dana's dream, the skies were gray during March. That's why we have the troops deployed over in Europe right now. That will clear up. They will be brought back, and according to Dana's prophecy from April to August the skies are clear. Now what happens after August is not pretty. In fact I think I'll go over that right now.

Let's say this all works. Let's say the consecration to the Immaculate Heart is accepted by Heaven Russia is defanged so to speak. It has to draw back its cause and there will be peace between April and August. But what happens in September? Now I want to go over these two dreams and a vision which Dana Coverstone and Amanda Freitas had. And I've showed you this chart three or four times.

DANA'S DREAM & VISION	AMANDA'S DREAM
2/15 VISION	3rd BEAR
MARCH '22	1st BEAR
SEPTEMBER '22	2nd BEAR

I've done quite a few videos on the two dreams. The first part of Dana's vision has already come true. That was February 15th when there was that temporary ceasefire or withdrawal. Putin drew back his troops. That part was fulfilled. Now the third bear in Amanda's dream; that will be fulfilled if Pope Francis' consecration works, because remember the third bear in Amanda's

dream is the one that is tipped over by the praying church, and that's one of the reasons I think this is going to work, because this is going to fulfil Amanda's dream. The third bear is actually the first bear and I explained that to you before. In apocalyptic prophecy, the sequence is very often must be reassembled to understand the chronology. And very often an apocalyptic prophecy, the first event comes true, and I can give you numerous examples of that in the Bible. The first event has come true to verify the rest of the prophecy. So this has already been proven. This already came true (Dana's 2/15 vision). This will verify Amanda's first bear.

Now unfortunately after March 22nd in April through August when the skies are clear over America, the first bear which is actually the second bear chronology in Amanda's dream will take over. This is where Russia as the bear and the little bears invade America surreptitiously I'm sure. Now how does this make sense if the bear is de-clawed on March 25th? Why should the bear then invade America? Well remember there are three manifestations of the bear in Amanda's dream. The first manifestation was actually the third bear as I've explained. The bear was evil. Remember the bear had the face of a man? He was lascivious. He was going after Amanda's husband. He was perverted. This is the bear that will be defeated, but remember the bear is also described as carrying out God's chastisement on Earth. God will use Russia as a rod to chastise the rest of the world. Well that would not be an evil purpose.

So the three manifestations of the bear during the five months of the summer, the bear will infiltrate America and all of the other bears. Remember that? And then we come to September 22nd. So as I say, if these will be proven true, and I think they will be. This has already proven true, (Dana's 2/15 vision). This will be proven true when Russia is converted (3rd Bear), and this part has not yet come true (last line) and this is the third bear, although the third bear is actually the second bear. This will occur in September and the third bear in Amanda's dream had the three ribs in his mouth and the Bible says that bear is told to arise and devour much flesh, but that will be a legitimate purpose of the bear. In other words there are three limitations for the bear in Amanda Freita's dream.

The first bear is the one that we see now that will be defeated by the Church. Remember Amanda says it was just light. She just touched the bear and the bear toppled over. That would be a perfect fulfillment of this if Pope Francis' consecration works. It will be a fulfillment of the Church toppling the bear, but as I say we're not out of the woods. We have got five months to do the conversion in this country, not just Protestants but Catholics also. You watch Dana's latest dream. He just published it today. There has to be unity between Catholics and Protestants on this. The Catholic Church also has to recognize the real meaning of Genesis 3:15.

Okay, so now I think the next question we have to be concerned about is, what will the Deep State do to thwart Pope Francis consecrating Russia? I use that term Deep State, the Illuminati, the powers that be, whatever it is. Up until now, Pope John Paul II was going to consecrate Russia but they convinced him not to. They convinced him to consecrate the world, so what will the powers that be, there's a lot of different terms for it. I don't particularly like Deep State but it's as good as any.

Archbishop Viganò uses it. He talks about the Deep Church also. What will they do to prevent Francis from doing this? I would not be surprised if they started the war somewhere else. This is their modus operandi, and that is to start wars to draw attention away from what we all should be focused on. I have suggested that on the feast of Purim which starts tomorrow, that Israel will be attacked. The first two parts of Daniel 9:26 and 9:27 have already occurred. The Anointed One has already confirmed the covenant. That is when the Abrahamic Accords were signed between Israel and quite a few of her neighbours. The Anointed One, and I still am not sure whether it was Netanyahu or Donald Trump, and I've mentioned those numerous times on this channel, that one of those is the Anointed One in Daniel 9:26 and 27, and they did confirm the covenant. That part has already taken place.

The second part has already taken place and that is the Anointed One shall be cut off. That has already happened to both Donald Trump and Benjamin Netanyahu. The third part of Daniel 9:26 and 27 has not yet occurred, and that is when the prince who shall come shall destroy the city and the sanctuary. That is also the abomination of desolation as it affects Israel. Will the Deep State bring that about? And they can do it, Will china invade Taiwan? They've been threatening to do that for years and years. And they will be pushed to do that by the Illuminati or the Deep State or whoever you want to say, the powers that be, the forces of the Antichrist actually. All the leaders of the world are now part of it. They are all sons of Haman. They will all bring in and support the Antichrist.

And another reason I think that Pope Francis will succeed is because Mary is going to get the credit; right? I mean it will be obvious. If it succeeds, we will know. Everyone will know. I mean the other side is going to howl and try to say it's not Mary but I mean who else is bringing peace between Russia and Ukraine?

I mean I saw the headline just a couple of hours ago that the wife of the Ukrainian Prime Minister made an appeal. None of these appeals are working. That's why it will be so significant if this consecration of Russia does work. Everyone will understand it, and I believe it will also, as I just said fulfil the prophecies of Dana and Amanda and it will fulfil the prophecies of Kim Clement.

So we have our work cut out for us in the next five months between April and August whether or not Francis fails in consecrating Russia. We still have our work cut out for us in America, because we still have to face the third Bear, the third manifestation, the Bear with the three ribs in its mouth. So we still have a lot of work to do, a lot of prayers, a lot of rosaries, and I know I'm talking to the right people when I say that.

Okay I think that is all I want to go over. I actually read all my notes. I'm sure there are many other points I should have made. As I say the numerology is extremely significant. Today is 3/15. The date of the proposed consecration is March 25th the Feast of the Annunciation, eleven years following Kim Clement's vision. So I ask you, are any of you aware of the significance of the number 11 in Bible prophecy? And if you want to pass this course in Mary School of Prophecy you have to know the answers to these.

Until I do see all of you again, may God bless all of you and may all of you have a very blessed evening.
