

Woe to America! Beware the Seven Thunders!

On this program I want to reveal the hidden secret of the Seven Thunders as found in the Book of Revelation. When I wrote my book, Revelation Unraveled, a little over 10 years ago, I knew what the Seven Thunders said but I didn't identify them as the Seven Thunders. I knew they were hidden and I knew they were secret, but I didn't realize, until just a few weeks ago, the real significance of the Seven Thunders. I now realize how extremely important they are especially for those of us living here in the United States.

Specifically on this program, I want to ask and answer eight questions about the Seven Thunders:

No 1. Is it possible to unseal the Seven Thunders?

No 2. How can they be unsealed?

No 3. Why are other parts of the Book of Revelation not sealed up?

No 4. Why were the Seven Thunders sealed up in the first place?

No 5. Why are they being unsealed now, at this moment, on this program?

No 6. Who is it that proclaims the Seven Thunders in the Book of Revelation?

No 7. Are they primarily warnings to the United States of America and, in fact, to all of the decadent West?, and

No 8. What exactly do the Seven Thunders say?

So now, let's go through these one by one and I will eventually get to exactly what all the Seven Thunders say. And the first question I asked was: ***'Is it possible to unseal the Seven Thunders?'*** I believe now it is possible even though no one in the entire history of Christianity has ever unsealed the Seven Thunders but it is still possible and I'm going to do it today for you.

And the second question: ***'How can they be unsealed?'*** Well, Saint John sealed up the prophecy of the Seven Thunders in very much the same way that Daniel sealed up his prophecies of the End Times and that is through a hidden verse and chapter structure as you can find on Saint John's cryptogram chart. And in fact, I recommend you go to my website, thirdeaglemedia.com, and download the cryptogram chart. It's very simple; it's on one page.

If you have one of the copies of my book, Revelation Unraveled, this is included and you can read for yourself what the Seven Thunders say because I'm not going to read all verses and chapters on this program. And the next question is: **'Why are some parts of Revelation not sealed up?'** And this is very interesting and the key to understanding why the Seven Thunders, by contrast, are sealed up. Let's go to chapter 22, verse number 10: **'And he said to me** (this is the angel speaking to Saint John on the island of Patmos where John received this amazing prophecy as found in the Book of Revelation) **seal not the words of the prophecy of this book for the time is at hand'**. So, the angel is telling John that the reason he does not seal up the rest of the Book of Revelation is because the prophecy is for his time, for example, the prophecy of the seven letters to the seven churches. That was imminent and that's why John did not seal up the prophecy. And that understanding gives us the answers to the next two questions: question number 4: **'Why were they sealed up in the first place'**, 'they' being the Seven Thunders. They were sealed up because they were not for John's time; they were not imminent. They are, in fact, for these End Times. They are for our time, this week, and this month and this year. The Seven Thunders are about to be fulfilled.

And question number 5: **'Why are they being unsealed now?'** And I just answered that: because it is extremely important for those of us living today, especially here in the United States. Question number 6: **'Who proclaim the Seven Thunders?'** Okay, let's go to chapter 10, verse number 2: **'And he had in his hand a little book open and he set his right foot upon the sea and his left foot upon the earth.'** Now, I have previously determined that this must be the prophet Enoch because his feet are on both the land and the sea. That means his mission is to the far off Gentile nations, both landlocked nations and sea nations and I have suggested on other programs that this could very well refer to our Pope, Pope Benedict and, of course, as the leader of the Catholic Church, his mission is to far-flung lands.

And Enoch speaks: **'He cried with a great voice as a lion roars and when he cried the Seven Thunders uttered their voices.'** So, Enoch himself does not enunciate the Seven Thunders. Let's find out who does. Verse number 4: **'And when the Seven Thunders had uttered their voices I was about to write and I heard a voice from Heaven saying to me seal up the things which the Seven Thunders have spoken and write them not.'**

So now, let's look and see what exactly these Seven Thunders are because they are, in fact, cried out loudly by the seven Herald Angels and I discovered these seven Herald Angels, as I said, more than ten years ago when I wrote my book. John enumerates the Seven Bowls, or Vials, the Seven Seal and the Seven Trumpets but he does not enumerate the seven Herald Angels. And if you have your cryptogram chart, here is the first Herald Angel, second, third, fourth, the fifth, the sixth and there's an interlude and then the seventh Herald Angel; they are the ones who cry out the Seven Thunders.

The first thunder: ***'And I saw another angel flying in mid-heaven*** ('mid-heaven' usually means the electronic media. I believe this first angel flew during the 20th century. I suspect it was Pope Pius the 12th. I'm not sure about that but many of these angels, I believe, symbolize actual human beings) ***having the everlasting glad tidings to announce to those settled on the earth and to every nation and tribe and tongue and people'*** (14:6).

Another thing about these Seven Thunders, is that they summarize the entire Book of Revelation and that's why, in chronological sequence, this is the first thunder: ***'Saying with a loud voice*** (notice that key phrase 'loud' voice. Five of these seven thunder angels speak with a 'loud' or a 'strong' voice. That is the key to understanding that these seven herald angels are indeed the Seven Thunder angels) ***fear the Lord and give him honor because the hour of his judgment is come and adore ye him that made heaven and earth, the sea and the fountains and of waters'*** (14:7). So, if these Seven Thunders are meant to be revealed now, that means that the hour of Gods judgement is about to fall upon us.

Following the first thunder, chronologically speaking, comes the fifth thunder and those of you who have read my book, you know that the fifth seal follows the first seal, the fifth trumpet follows the first trumpet, the same way with bowls or vials, the fifth follows the first even though they are not numbered that way, that's the true sequence and therefore the fifth thunder is: ***'And there came one of the seven angels who had the seven vials and spoke with me*** (this is very interesting: one of the 'vial' or 'bowl' angels is doing double duty here. He is also the fifth thunder angel. That's one reason why I think that these angels may very well also symbolize human beings) ***and spoke with me saying come I will show you the condemnation of the great harlot who sits upon many waters'*** (17:1).

So now, right off the bat, the second thunder is warning about the Whore of Babylon and if you know my other videos, I have been here on YouTube for seven years telling you that the Whore of Babylon is not the Catholic Church. That's a lie from the pit of Hell. The Whore of Babylon symbolizes our own decadent Western Civilization primarily Britain and America and it will be destroyed in one hour by the Scarlet Beast that she rides. The Scarlet Beast symbolizes International Communism.

And following the fifth thunder we come to the second thunder, chapter 14, verse number 8: **'And another angel followed saying that great Babylon is fallen, is fallen, which made all nations to drink of the wine of the wrath of her fornication'** (14:8). So now, the second angel is sending out a warning, actually the third in the sequence, and once again warning about Babylon and the 'fornication' refers to America spreading her immorality throughout the world especially through Hollywood and other forms of entertainment. Hollywood promotes abortion, contraception, sterilization homosexuality, and now things like transgenderism. All those are evils associated with sexuality and that's why the angel warns John about Babylon spreading her fornication to the kings of the earth.

Following the second thunder, actually the third in the sequence, we come to thunder number 6: **'And after these things I saw another angel come down from heaven having great power and earth was enlightened with his glory and he cried out with a strong voice** (here John uses the word 'strong' instead of 'loud'; it means the same thing) **saying Babylon the Great is fallen'** (this is the past tense, notice the chronology, but once again, it's a warning primarily to the United States of America) **is fallen and is become the habitation of devils and the hold of every unclean spirit and the hold of every unclean and hateful bird'** (18:2). I'm sure you are beginning to see why I say that these seven thunders are about to be unleashed, their time is now and they are aimed primarily at the country that I live in: the United States of America.

Following the sixth thunder comes the third thunder, chapter 14, verses number 9-10: **'And the third angel followed them saying with a loud voice** (once again, 'loud') **if any man shall adore the beast and his image and receive his character in his forehead or in his hand he also shall drink of the wine the wrath of God which is mingled with pure wine in the cup of his wrath and shall be tormented with**

fire and brimstone in the sight of the holy angels and in the sight of the Lamb' . So, this is the first thunder that is not talking about the fall of Babylon but this is certainly one of the most important parts in the Book of Revelation and that is a warning against taking the Mark of the Beast. And I have identified that on this program as, if not the RFID chip, something very close to it, some kind of a tattoo, something that will electronically control your buying and selling. If you take that you will go to Hell, as John warns us.

And then comes the fourth thunder: **'And another angel came out from the temple crying with a loud voice to him that sat upon the cloud, thrust in thy sickle and reap because the hour is come to reap, for the harvest of the earth is ripe'** (14:15). So, at the end of the Great Tribulation comes the Grim Reaper and, of course, this occurs at Armageddon. Following the fourth thunder comes the seventh thunder: **'And I saw an angel standing in the sun** (I'm not sure who this represents, it could be the prophet Elijah or some other human being) **and he cried with a loud voice saying to all the birds that did fly through the midst of heaven, come, gather yourselves together to the great supper of God'** (19:1).

Now, I did not read all of the thunders in their entirety. I urge you to go, as I say, to my website. Download this cryptogram.

All the verses are listed there. You really should become acquainted with the entirety of what the Seven Thunders shout out. They are critically important. Obviously, at this time, the fall of America is about to occur. People are not going to be prepared. I know most people are not going to watch this video but they will once the chastisements start to fall on America and then you will realize what you must do. And I have explained many times what you must do to defeat the Antichrist. The weapons Jesus will use are Mary's Rosary and Scapular just as David chose five smooth pebbles and a shepherd's sling to defeat Goliath.
