### **First 3 Beasts in Daniel 7 Have Come and Gone**

We will cover half of Daniel chapter number 7 and the other half tomorrow night and Daniel 7 is amazing just as, we talked about last week, Daniel chapter number 4, and the reason it's amazing is because it's coming true. And as I said in the title, the first three beasts in Daniel 7 have come and gone, and I can't think of any other prophecy channel on YouTube that even understands that the first three beasts have already come. So how can they tell you they've come and gone if they don't know who they are? And there are many people on YouTube and elsewhere who try to tell you who the Antichrist is, but they can't tell you who the first three beasts are. The Antichrist is the fourth beast. How can they tell you who the fourth beast is, if they can tell you who the first three beasts are?

On this program I will tell you who the first three beasts are, but I won't tell you who the Antichrist is because I don't know yet, but there's no doubt that the fourth beast is the evil one of these End Times, and the first three beasts as I have said have all come and gone. So we'll go through Daniel chapter number 7, verse by verse and we will discover the most important part of the prophecy is hidden, just as it is with all of Daniel's vision chapters.

His first six chapters are called the history chapters. The last six chapters are called the vision chapters, that is 7 through 12 and actually if you watch my other programs you know there are only five vision chapters because 10 and 12 actually are the same chapter. And of course that gives you the numerology which we find in all apocalyptic literature, even Matthew 24, and that is that the number 6 or multiples thereof are followed by the number 5 or multiples thereof. And that simply means that the Antichrist 6 6 6 will be defeated by 5 5 5 which is Mary's Rosary. And that's not a very popular message, but it will be when the time is too late for most people. That's why I have moved to my refuge because I understand that the world will become very dangerous, because they don't accept the true prophecies of these End Times.

So let's begin with saying our prayers first, so let's do Come, Holy Spirit. In the name of the Father, the Son and the Holy Spirit. Amen. Come, Holy Spirit, fill the hearts of thy faithful and enkindle in them the fire of thy love. Send forth thy spirit and they shall be created. And thou shalt renew the face of the earth.

And now we'll do Ida Peerdeman's prayer. Lord Jesus Christ, Son of the Father, send now your spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from corruption, disaster and war. May the Lady of All Nations, who once was Mary, be our Advocate. Amen.

And the reason the prayer says, "who once was Mary", is because Mary now is our five-star general. She was not a five-star general when she was carrying the babe of Bethlehem, but she is now because she is prophesied in Genesis chapter 3 verse 15 to crush the head of the serpent. So now I think we can look at verse number 1 and remember now, some of the rules in apocalyptic literature, and one of them is that numerology is extremely important, and in this chapter number 7 we

will find the number 4 is the key number and it is a key to discovering the hidden structure which tells us how to defeat the Antichrist. So let's look at verse number 1, Daniel 7.

**“In the first year of Belshazzar king of Babylon, Daniel saw a dream:”** notice by the way there are four elements in this very first verse, **“and the vision of his head was upon his bed:”** number 2, **“and writing the dream, he comprehended it in few words:”** number 3, **“and relating the sum of it in short, he said:”**

So we are going to find that the number four is critical and we will find that these first three verses all feature the number four, however it's not the same as 4 4 4 in Daniel 11: 4 4 4 in that chapter and elsewhere represents the United States or Barack Obama. Here it does not, even though there are three fours and that's because the character of the four in verse 1 has to do with the number of elements, whereas the actual word “four” is found in verses 2 and 3.

So let's look at those again. **“I saw in my vision by night, and behold the four winds of the heaven strove upon the great sea.”** And the winds symbolize contention just as striving upon the great sea. Now many of the false prophets on YouTube are telling you that it's the Mediterranean Sea, and I guess you could interpret it that way if you want to consider the four beasts in the near-time. All of Daniel's great prophecies have both a near-time fulfilment and will have an End Times fulfilment. On this program we will talk about the End Times fulfilment because that pertains to us specifically. The near-time fulfilment is there mainly to verify that the End Times fulfilment will also come true, and that's a very common technique, especially in Daniel and other End Times prophecies.

Verse number 3: **“And four great beasts, different one from another, came up out of the sea.”** Notice that they come up out of the sea. Later on the angel or perhaps Enoch and Elijah, I'm not sure who the person is that tells Daniel, says that the beasts come up out of the earth. That simply means that the beasts symbolize both a king and a kingdom, and that's important because my title was the “First 3 Beasts in Daniel 7 Have Come and Gone”. I am talking about the person who represents the beasts. I'm not talking about the kingdoms. I'm talking about the kings. The kingdoms stay until the very end, which is encouraging for those of us here in the United States, as you'll see in a minute.

Verse number 4: **“The first was like a lioness, and had the wings of an eagle: I beheld till her wings were plucked off, and she was lifted up from the earth, and stood upon her feet as a man, and the heart of a man was given to her.”**

Now the false prophets who do give an End Times interpretation, and that's rare, that's few and far between as most understand the near-time fulfilment and they say this is a lion, not a lioness, and they say it represents Babylon. That's true in the near-time, but there is a contrast here. Either the contrast is between an animal and a man or between a woman and a man. Now if it's an animal, then it can be a lion, that is a male lion, and it stands upon its feet as a man and a man's heart is given to it, but if it symbolizes a person which is what I claim, the lioness is an

individual, then it must be a woman, because there is a contrast between the lioness and the heart of a **man** given to her, otherwise there would be no contrast. Therefore I believe that this translation which is the Douay-Rheims translation, the Catholic translation, St. Jerome's translation, is correct. The first beast is a lioness and not a lion as found in the King James Bible and practically all other Protestant Bibles.

Now these beasts are not that hard to figure out. The lion has always been the symbol of Great Britain. The wings of an eagle; the eagle represents the United States. Everyone knows that, and when the eagles' wings are plucked off the lion, that symbolizes America, a colony separating from Great Britain. In fact today we are celebrating that separation. The wings being plucked off; that refers to Independence Day, today. So we are celebrating what has already happened as far as verse number 4 goes. I'll tell you who the people are after we do these verses.

Verse number 5: **“And behold another beast like a bear stood up on one side and there were three ribs in the mouth thereof, and in the teeth thereof, and thus they said to it: Arise, devour much flesh.”**

Now here I take the King James translation which says three ribs. The Douay-Rheims says three rows. I believe “ribs” is better because I think it corresponds better to the phrase, “devour much flesh”. I believe these three ribs symbolize the first three beasts which we are talking about, and I don't think it's too hard to figure out that the bear must be Russia in these End Times. The bear always symbolizes Russia. That's one of the most popular symbols for Russia. Now that's not the near-time fulfilment but in the End Times this beast refers to Russia, and “devouring much flesh” of course that's what Mary prophesied at Fatima, the Secret of Fatima.

Verse number 6: **“After this I beheld, and lo, another like a leopard, and it had upon it four wings as of a fowl, and the beast had four heads, and dominion was given to it.”**

Notice all the fours in this chapter, so far. Now 12 years ago I told you who this leopard was. I told you this leopard represented Barack Obama and the United States. This was before he was elected and I told you at that time I believe it was August 2008, you can check it out yourself that Obama would become the president because he was found in Bible prophecy. The four wings and the four heads represent Obama as the 44<sup>th</sup> President of the United States. Dominion was given to him because he was made president and he looks like a leopard because of his racial background. In other words leopards are made up of many different colors; black, white, brown, tan, yellow, many different colors. It represents the racial diversity of Barack Obama, and it also represents the United States, the racial diversity of America.

The four wings represent the four branches of the military which sit on the Joint Chiefs of Staff command. The four heads represent the four heads of the Supreme Court. That would be the Chief Justice of the Supreme Court, the President of the

United States, that's the second head. The third head would be the Speaker of the House and the fourth head would be the Vice President who heads up the Senate, in other words he presides over the Senate. So we see that the leopard in verse number 6 represents both the king that was Obama who has already come and gone, and the kingdom that is the United States.

Now looking back at verse number 4, the lioness: the lioness we determined was Britain. The lioness that is the female person who is represented here, I am sure is Margaret Thatcher. And verse number 5 the person who represented the bear was Dmitry Medvedev. That's because his name in Russian means bear, and it's interesting that these three leaders, these three beasts, they did follow one another just exactly as Daniel prophesied 2500 years ago. Margaret Thatcher was Prime Minister of Britain from 1979 to 1990. Dmitry Medvedev was premier of Russia from 2008 to 2012, and Barack Obama was 2009 to 2017. So these three beasts the persons follow the exact sequence that Daniel gives in his chapter number 7.

It's really an amazing prophecy and I don't know anybody who's telling you that. Is there anybody out here telling you that the the three beasts have come and gone? They don't even know that they've come, much less gone. Anyway, now let's look at the fourth and final beast which corresponds to the eighth and final beast in the Book of Revelation. And of course the significance of this and why I'm doing this program is to prepare you for this fourth beast. The fourth beast is the Antichrist and his kingdom is the One World Communist tyranny which we've seen right now taking over America as Daniel prophesied will happen. So let me get that verse.

Verse number 7: **“After this I beheld in the vision of the night, and lo, a fourth beast, terrible and wonderful, and exceedingly strong. It had great iron teeth, eating and breaking in pieces, and treading down the rest with its feet; and it was unlike the other beasts which I had seen before it, and had ten horns.”**

This last phrase the “ten horns” verifies that this is the same as the Scarlet Beast in the Book of Revelation. You remember that the Scarlet Beast which is the One World Communist tyranny is described as having seven heads and ten horns. These are the identical ten horns. This is the same beast, the last beast in Daniel 7 is called the fourth beast. The last beast in Revelation is called the seventh beast, and it becomes the eighth beast, the eighth and final beast.

And verse number 8: **“I considered the horns, and behold another little horn sprang out of the midst of them: and three of the first horns were plucked up at the presence thereof”**: now the King James says “(before whom):”, so there's a timing here which I think that could be. The Antichrist comes before the three other horns are plucked up. Or are they plucked up before the Antichrist? And there's a little confusion there depending on which Bible you read. It's not that important for us but we will soon find out: **“and behold eyes like the eyes of a man were in this horn, and a mouth speaking great things.”**

The little horn is of course the Antichrist. And all of the prophecy people on YouTube, they understand that. They understand that the fourth beast in Daniel is the Antichrist, then they try to tell you who he is, but they can't tell you who the first

three are. By the way I meant to explain that the three ribs in the bear's mouth, those represent the first three beasts. In other words the bear, the flesh that it devours will be Britain, America and Russia itself. And of course that corresponds exactly with what Mary said at Fatima that Russia would spread her errors throughout the world and several entire nations will be annihilated. So Mary was verifying what Daniel said here.

And if you go on YouTube and you type in "Daniel 7 prophecy", you'll get prophecies that simply don't understand the End Times interpretation. I know Irvin Baxter said that for example that the leopard represents Germany. It can't represent Germany because it has to represent both the king and the kingdom. The leopard is the United States, but I know there will be somebody who will make a comment on here saying that the leopard is Germany. You can't win.

Okay now there was a feature about verse number 6 that I wanted you to note, so let me just show you that again.

Verse number 6: **"After this I beheld, and lo, another like a leopard, and it had upon it four wings as of a fowl, and the beast had four heads, and dominion was given to it."**

The leopard has **four** wings and **four** heads. Notice those two fours. In this case you could substitute the number 4 for the word "four". There are three verses that have two fours in them, 6, 17 and 23. Those verses are related, and that's very important. There are many other "fours" in this chapter but only three verses have two "fours" like this, and when I get to the structure I will show you how that works. Although I've done this before, this is the very first time I've explained Daniel 7.

Verse 9: **"I beheld till thrones were placed, and the Ancient of days sat: his garment was white as snow, and the hair of his head like clean wool: his throne like flames of fire: the wheels of it like a burning fire."**

"I beheld till thrones were placed, and the Ancient of days sat:" obviously God the Father, "his garment was white as snow": notice there are four elements here describing Almighty God: "white as snow", "the hair of his head was like clean wool", "his throne like flames of fire", and "the wheels have been like a burning fire", four elements.

Now in the next verse, number 10, we will see that the word "thousand" is repeated four times.

10: **"A swift stream of fire issued forth from before him: thousands of thousands ministered to him, and ten thousand times a hundred thousand stood before him: the judgment sat, and the books were opened."**

Obviously talking about judgment here, God the Father is going to judge. The Douay Rheims says "ten thousand times a hundred thousand". That would be a billion by the way; a billion standing before the Lord. Now verses 9 and 10, each have four elements. Let's look at verse 8. Just precede these two verses.

8: **“I considered the horns, and behold another little horn sprung out of the midst of them: and three of the first horns were plucked up at the presence thereof: and behold eyes like the eyes of a man were in this horn, and a mouth speaking great things.”**

And notice that there is the little horn and three horns. So we see four here also, four horns, and then in 9 and 10 are four elements in each of those verses. Another example 4 4 4 again, not referring to the United States. And verse number 11:

**“I beheld because of the voice of the great words which that horn spoke:”** that’s the Antichrist, **“and I saw that the beast was slain, and the body thereof was destroyed, and given to the fire to be burnt:”**

So we have the Beast and the body. The Beast represents the system, the One-World Government, the Scarlet Beast, the eighth and final beast in the Book of Revelation. The Beast is slain. Notice this Beast does not go to Hell obviously because a government system cannot go to Hell, but the body thereof was destroyed and given to the fire to be burnt, and that would be the Antichrist. The Antichrist is the body, the personification of this fourth beast and of course that corresponds exactly with the Book of Revelation where the Antichrist and the False Prophet are cast alive into Hell.

So now we're up through verse number 11. That's the summary of the entire chapter 7. All the verses after this expand on those 11 verses, but that basically sums up the whole story. The four beasts come up out of the earth, Britain, Russia, America and the final One World Government which replaces the first three. And the first three beasts, America, Britain and Russia are destroyed or their power taken away as we'll see later by Russia. The three ribs in the bear's mouth represent those three nations, all three nations. They wiped each other out in World War 3 and at the bequest I guess you could say, of the Antichrist. The Antichrist wants all three destroyed to make way for him.

So now I am just going to give a brief explanation of the structure of Daniel. All of Daniel's vision chapters; the last six chapters have a hidden verse structure. That's what is meant when the angel tells Daniel to seal up his prophecy. There is a hidden verse structure. The hidden verse structure gives the same prophecy in all six and I've told you before what that prophecy is, and that is that Mary's Rosary will defeat the Antichrist. Of course you won't find that anywhere, so let me show you this chart and you can download this yourself from my website.

We looked at the first 11 verses and we noted that verse number 6 has two fours in it as you remember that's the leopard that has four heads and four wings. Two other verses as I told you also have two fours, verse number 17, and I'll read that for you first: **“These four great beasts are four kingdoms, which shall arise out of the earth.”** Here by the way is where the angel or it's either Enoch or Elijah tell Daniel that the four beasts came out of the earth whereas Daniel saw them come up out of the sea. And the word “kingdoms” here shows you that when he says they come up out of the earth, that refers to the kingdoms. Daniel saw them as

individuals coming up out of the sea. The sea represents peoples in Bible prophecy and that's why the person that comes up out of the sea is a king. The kingdoms come up out of the earth, and verse number 23.

**“And thus he said: the fourth beast shall be the fourth kingdom upon earth, which shall be greater than all the kingdoms, and shall devour the whole earth,”** the One World Government, **“and shall tread it down, and break it in pieces.”**

So here's how you discover the structure of Daniel chapter number 7. These three verses must line up. (Shown in red below in verses, 6, 17 and 23.)

## DANIEL 7

### 1 - 11

### 12 - 17

### 18 - 28

1 In the first year of Balthasar, king of Babylon, Daniel saw a dream: and the vision of his head was upon his bed: and writing the dream, he comprehended it in a few words: and relating the sum of it in short, he said:  
 2 I saw in my vision by night, and behold the four winds of the heavens strove upon the great sea.  
 3 And four great beasts, different one from another, came up out of the sea.  
 4 The first was like a lioness, and had the wings of an eagle: I beheld till her wings were plucked off, and she was lifted up from the earth, and stood upon her feet as a man, and the heart of a man was given to her.  
 5 And behold another beast, like a bear, stood up on one side: and there were three rows in the mouth thereof, and in the teeth thereof, and thus they said to it: Arise, devour much flesh.

6 After this I beheld, and lo, another like a leopard, and it had upon it four wings, as of a fowl, and the beast had four heads, and power was given to it.

7 After this I beheld in the vision of the night, and lo, a fourth beast, terrible and wonderful, and exceeding strong, it had great iron teeth, eating and breaking in pieces, and treading down the rest with his feet: and it was unlike to the other beasts which I had seen before it, and had ten horns.

8 I considered the horns, and behold another little horn sprung out of the midst of them: and three of the first horns were plucked up at the presence thereof: and behold eyes like the eyes of a man were in this horn, and a mouth speaking great things.

9 I beheld till thrones were placed, and the ancient of days sat: his garment was white as snow, and the hair of his head like clean wool: his throne like flames of fire: the wheels of it like a burning fire.

10 A swift stream of fire issued forth from before him: thousands of thousands ministered to him, and ten thousand times a hundred thousand stood before him: the judgment sat, and the books were opened.

11 I beheld, because of the voice of the great words which that horn spoke: and I saw that the beast was slain, and the body thereof was destroyed, and given to the fire to be burnt.

12 And that the power of the other beasts was taken away: and that times of life were appointed them for a time, and a time.

13 I beheld, therefore, in the vision of the night, and lo, one like the Son of man came with the clouds of heaven, and he came even to the ancient of days: and they presented him before him.

14 And he gave him power, and glory, and a kingdom: and all peoples, tribes, and tongues shall serve him: his power is an everlasting power that shall not be taken away: and his kingdom that shall not be destroyed.

15 My spirit trembled; I, Daniel, was affrighted at these things, and the visions of my head troubled me.

16 I went near to one of them that stood by, and asked the truth of him concerning all these things, and he told me the interpretation of the words, and instructed me.

17 These four great beasts, are four kingdoms, which shall arise out of the earth.

18 But the saints of the most high God shall take the kingdom: and they shall possess the kingdom for ever and ever.

19 After this I would diligently learn concerning the fourth beast, which was very different from all, and exceeding terrible: his teeth and claws were of iron: he devoured and broke in pieces, and the rest he stamped upon with his feet.

20 And concerning the ten horns that he had on his head: and concerning the other that came up, before which three horns fell: and of that horn that had eyes, and a mouth speaking great things, and was greater than the rest.

21 I beheld, and lo, that horn made war against the saints, and prevailed over them.

22 Till the ancient of days came and gave judgment to the saints of the most High, and the time came, and the saints obtained the kingdom.

23 And thus he said: The fourth beast shall be the fourth kingdom upon earth, which shall be greater than all the kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.

24 And the ten horns of the same kingdom, shall be ten kings: and another shall rise up after them, and he shall be mightier than the former, and he shall bring down three kings.

25 And he shall speak words against the High One, and shall crush the saints of the most High: and he shall think himself able to change times and laws, and they shall be delivered into his hand until a time, and times, and half a time.

26 And a judgment shall sit, that his power may be taken away, and be broken in pieces, and perish even to the end.

27 And that the kingdom, and power, and the greatness of the kingdom, under the whole heaven, may be given to the people of the saints of the most High: whose kingdom is an everlasting kingdom, and all kings shall serve him, and shall obey him.

28 Hitherto is the end of the word. I, Daniel, was much troubled with my thoughts, and my countenance was changed in me: but I kept the word in my heart.

Those are the only three verses in Daniel 7 that have the number “four” twice that sets those verses apart, and when you line them up like this, then you get the structure. In other words these verses (on the left), you let them all fall where they may, so that those verses can line up. That means you have to stop at verse number 11, so that these verses line up. You have to stop at that point to get 17 to line up with verse number 6, and you have to stop at 17 and start with 18 over here (on the right column), so that these lines up and then it continues down to the last verse, verse number 28.

This is the hidden verse structure and I'm not going to go into it today but I will prove that that is how Daniel wants this, and if you go to my website, you can read it there. That how Daniel shows that this is exactly how he wants this structure. And I'll tell you right now the meaning of it, because it's really the most important meaning in all of Daniel and in fact all of End Times prophecy, and that is that six verses here, (left top), six verses here, (middle top), six verses here, (right top) are followed by five verses here, (left bottom), and five verses here, (right bottom), 6 6 6 is defeated by Mary's Rosary, the same as the five smooth pebbles that David chose against Goliath, even though he did not need five. He only needed one pebble.

Now this prophecy is not popular as I say but nonetheless it is the truth, and I will continue this tomorrow, and I want to prove to you that these verses for example

(bottom left and right) are very closely related on either side. That's how Daniel proves that this is how he wants this structure. There's another proof too and we'll go through the rest of these verses because I think it's very interesting.

It's an amazing prophecy about these End Times, and as I say, the personification of the first three beasts have all come and gone, Margaret Thatcher, Dmitry Medvedev and Barack Obama. All we are waiting for now is the fourth and final beast.

So God bless all of you and may all of you have a very pleasant evening.
