

Antichrist Defeats Obama in Super Bowl 50

Well, Super Bowl 50 is history and once again, Almighty God has used an American sporting event to predict the downfall of America and its President, Barack Obama. Maybe in the past, you remember, for example, when Serena Williams won her gold medal, as she was standing on the podium wearing one black sneaker and one white sneaker, the American flag fell exactly when the words of the National Anthem read 'our flag was still there'; and Serena Williams, who is a very popular and successful African-American athlete, was a stand-in for Barack Obama. That's why she wore one black sneaker and one white sneaker: she represented Barack Obama, who in Bible Prophecy, is the Leopard (Daniel 7:6).

And since this was Super Bowl number 50; that represents the 50 United States and if you read Jeremiah chapter 50, it is all about the fall of America. And Jeremiah 50, verse 44, is about Barack Obama. It's interesting in this Super Bowl that Cam Newton, another prominent African-American athlete, who was the most valuable player in the NFL this year, wore the number one. That number symbolizes Obama because Obama is our number one leader, the Commander-in-Chief. It's interesting that Peyton Manning, who defeated Cam Newton, wore the number 18 and, as one of my subscribers pointed out to me, that represents the Antichrist; in other words, the Antichrist (18) will defeat President Obama (1); and I have been doing videos all along showing that reality in Bible Prophecy.

In fact, I just did a video about Natan, the Jewish teen who received an End Times vision, that in Daniel, chapter number 4, the verses are arranged in a 4-4-4 sequence followed by a 6-6-6 sequence followed by a 5-5-5 sequence. In other words, Obama will be defeated by the Antichrist who in turn will be defeated by Mary's Rosary. It's interesting that the Panthers represent the Leopard, which symbolizes Obama in Bible Prophecy and also the United States. In fact, in France leopards are referred to as panthers. And the Broncos represented the Four Horsemen of the Apocalypse. And what was the final score? 24-10: $2+4=6$, $1+0=1$, another defeat of 1, Obama, by the number 6, the Antichrist. None of this is accidental. Almighty God is reminding us about Bible Prophecy. He is reminding us that Obama and the United States will soon be defeated.
