

God Warned about Biden's Win through His TRUE Prophets

We had a huge disaster for America this morning and that's when the CCP agent Joe Biden was inaugurated as President of the United States. And I did not watch it, because I don't like to be depressed and that would depress me a great deal, because I had, to a degree been listening to the false prophets on YouTube who claimed that Joe Biden never would be inaugurated, and you know who I mean. There are many of them, and I don't like to be too hard on them because, actually, Donald Trump was scheduled in Bible prophecy to have two terms and in fact Kim Clement said he would get two terms and he's a true prophet.

Now there have been some people saying, well the two terms will be separated by several months, maybe by four years, and of course the day is not out. It's possible that they still will be arrested, that is Biden and all of his henchmen, and that could be. I mean I'm sure Washington DC is still in a state of a lockdown, but nonetheless Biden was inaugurated and most of them said that would not happen. And the true prophets of the End Times, I believe told us that it would happen, that Donald Trump would not stay in office and I'm speaking about people like Dana Coverstone, and Micah and Isaiah.

Donald Trump

I'm going to read the pertinent prophecies. So let's start with Isaiah because he's probably the most important. So I'm going to go through the first four verses that are pertinent in Isaiah 45 because they are about Donald Trump. And the first four verses in Micah 5. They are also about Donald Trump and they are arranged in a rosary sequence. Now I've done this before, but of course that was before Biden was inaugurated. So now we can look with hindsight at these verses. And this is chapter 45 verse number 1.

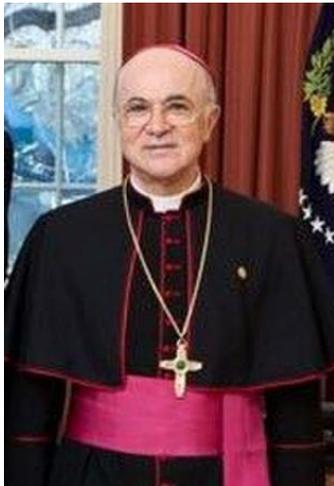

“Thus says the Lord to my anointed Cyrus”; Donald Trump was anointed by Almighty God; **“whose right hand I have taken hold of to subdue nations before his face and to turn the backs of kings, and to open the doors before him, and the gates shall not be shut.”**

Well actually Donald Trump fulfilled that prophecy in his first term and he was the terror of all the nations. He was the leader of the world. Let's face it. We no longer have a leader of the world, and what does that tell you? Let's look at the next verse, verse number 5.

“I am the Lord and there is none else: there is no God besides me: I girded you and you have not known me:”

So Almighty God was telling Donald Trump at the very beginning, that as a Presbyterian, he did not know Almighty God, but of course that's going to change. Verse number 3 of Isaiah chapter 45:

“And I will give you hidden treasures, and the concealed riches of secret places: that you may know I am the Lord who call you by your name, the God of Israel.”

Archbishop Viganò

So this means that Donald Trump is going to convert as I've been saying for many years and he will become a Catholic, not a Roman Catholic. The Roman Catholic has been taken over by the False Prophet. He will join the remnant Catholic Church. He will probably be converted by Archbishop Viganò. And the “hidden treasures” and “concealed riches of secret places” refer to the Holy Eucharist, the true body and blood of our Lord, which are only available in remnant Catholic churches.

Remember, Pope Francis has taken away true consecrations from his church, which is the One World Religion. That's why I say it will be somebody like Archbishop Viganò who will convert Donald Trump, certainly not Cardinal Wilton Gregory. So let's look at the next verse which is verse number 11, which is a transition verse to Micah.

“Thus says the Lord the Holy One of Israel, his maker:”, now Israel is a code word in both Isaiah 45 and Micah 5, describing the remnant Catholic Church, **“Ask me of things to come, concerning my**

children, and concerning the work of my hands give you charge to me.”

So as I've explained before on this program, you do not continue with Isaiah, because he does not then talk about his children. You have to switch to Micah chapter 5, and that's where God talks about his children. So we look at Micah 5, verse number 1.

“Now shall you be laid waste, O daughter of the robber:”, this is the remnant Catholic Church, the daughter. The robber is the Roman Catholic Church; **“they have laid siege against us,”**, so who are they? Well we just saw them inaugurated; in other words, the Deep State, the One World Government and the One World Religion. Their primary goal will be to destroy Christianity as we see in the Book of Revelation. All the ten kings of the Antichrist, and that would include the President now of the United States. Their goal will be to eliminate the force which is opposed to how they get their power, and they get their power through the shedding of innocent blood.

Pope Benedict

“They have laid siege against us and with a rod they shall strike the cheek of the judge of Israel.”

I noticed Lance Wallnau did a video this afternoon and he said, “Now what?” Well this is one of the things that's going to happen; the judge of Israel, his cheek will be struck. The judge of Israel would be; I have said all along, would be Pope Benedict. I believe he will be very shortly martyred as part of the cataclysm that results from Joe Biden becoming President. Verse number 5 of Micah 5: and now he starts talking about Donald Trump.

“And this man”, that is Donald Trump, **“shall be our peace”**. So who is “our peace”? He is talking about the children of the daughter of the robber, in other words the remnant Catholic Church. This is Donald Trump's most important End Times work. He **“shall be our peace, when the Assyrian”**, that is the Antichrist, **“shall come into our land:”**, and our land is the Catholic Church. **“And when he shall set his foot in our houses”**; our houses are the Catholic Churches, **“and**

we shall raise against him seven shepherds, and eight princes”, and we will need to raise against him fifteen princes, and of course that's also a reference to the Rosary. There are fifteen decades in a complete original Mystery of the Rosary.

And verse number 3 is very important. This is why Joe Biden was inaugurated. **“Therefore will he give them up,”**; this is Donald Trump. And giving up means he will abandon us. And we'll see in a minute that's what Dana Coverstone says also. He will abandon us until when? When is it possible that Donald Trump may return? And here's what Micah says; **“Till the time wherein she that travails shall bring forth”**. That refers to Mary. I believe this also refers to the warning.

So Donald Trump had to abandon us, and I've been on here saying that for many, many months because that coincides with what Micah has been saying. And the false prophets on YouTube who have been saying that Joe Biden would not be inaugurated, they are not familiar with Micah 5 nor as far as that goes, to Isaiah 45.

Let me continue verse number 3. This is very important. **“He will give them up”**, and wherein until the time **“wherein she that travail shall bring forth: and the remnant of his brethren shall be converted to the children of Israel.”** In other words his Protestant brethren will also convert. I think this is one of the good things that we can see in Donald Trump leaving office, and that is that he will now be free to express his conversion. It's very possible he has already converted and become a Catholic but now he will be able to do it without a fear of making a political mistake, and many of his MAGA supporters will follow with him.

And I'll read verse number 7. Verse number 7 is a time stamp for all of what we have just read and that is: **“And the remnant of Jacob”**, now that refers to the Jews who will be sealed by the two prophets Enoch and Elijah, **“shall be in the midst of many peoples”**. That's where they are now.

The Jews have been scattered throughout the world; **“as a dew from the Lord, and as drops upon the grass, which waits not for man, nor tarries for the children of men.”** So the remnant Jews who are

spread throughout the world, they are like a dew, and they are like yeast in the bread.

Now I want to take a look at Dana's dream and let me just, first of all show you a picture of the Isaiah 45 train. The false prophets on YouTube who told you that Joe Biden would never be inaugurated, they are not familiar with the Isaiah 45 prophecy that said Donald Trump, I believe would have two terms. In fact Kim Clement says the same thing, but the Isaiah 45 train shows that there was an accident, and it might not be fulfilled. Now this train wreck occurred the day or two after the State of the Union Address which President Trump gave in 2018. I think it was July 31st and then this was the train wreck. And this was a sign from Almighty God that Donald Trump may not be able to completely fulfil his Isaiah 45 prophecy and notice the number on that train.

The 145 symbolizes Isaiah 45. That was a very important message from Almighty God. And I know quite a few of you said that, well the train was not derailed. It did a real number on the garbage truck that it smashed into, and the garbage truck represented the forces of the Antichrist and I've showed you that before. The telephone number

represented the number of the Antichrist and that's true.

And Donald Trump will, as the leader of the remnant Catholic Church, once he converts, he will smash the Antichrist. And don't forget, the Antichrist is now Joe Biden's boss. In fact the Antichrist comes next in Bible prophecy. Lance Wallnau wanted to know what comes next, well I can tell you. The Antichrist comes next because all ten kings of the Antichrist are now in place, including the president of the United States.

There is a huge void of leadership in the world, because Donald Trump was the leader of the world, let's face it. He is now gone. He is in hiding so to speak as far as prophecy goes, and that means that people will soon recognize that there is a void. We have no leader. Biden is

certainly not a leader. He's a joke. Everybody knows that. Even the Democrats know that.

But once all the leaders of the world are loyal to the Antichrist, then it's open for him. The void'; he can jump in and fill it, and people will welcome it, and we will very soon see that. I don't know how soon, but maybe within days, weeks, months. There's no doubt that the reign of the Antichrist, that is the eighth beast, that's his kingdom, which is of the seventh; the seventh beast is international communism; that it will soon take place.

Now Dana Coverstone, I believe prophesied what happened today in his Data Dream. This was a very important dream the Data Dream, and I went over this all before, so let's just go to the very last scene of the Data Dream and that's where the casket is lying in state in the Rotunda.

And there was a sign on the casket if you remember, and I will read this. This is what I call the first verse of the chapter 5 of Dana Coverstone's Data dream. **“Then the scene changed and I saw the Rotunda of the Capitol and there was a closed casket in the middle of the Rotunda and the sign on the casket stated that inside was the Democratic candidate for the office of president.”** And of course that is Joe Biden, but I explained at the time, Joe Biden is not inside the casket. He is the casket. Joe Biden is like a whitened sepulchre. What was inside the casket is the soul of Joe Biden and it is corrupt.

And what does Dana Coverstone say about this corrupt casket of Biden in the Capitol? Does he say that he will lose the election? Not at all. In verse number 6, here is what the Sergeant-at-Arms says because there is a senator that is not at all happy with Joe Biden being honoured by all the people in the Rotunda. They have their shoes off, which was a sign of honor, as I explained in my interpretation of the Data Dream.

“And then a prominent senator stood up”; I don't know who that senator is, **“and demanded to see the body.”** He wants to see the body. He wants Joe Biden's corruption to be revealed, which it should be, but here's what the Sergeant-at-Arms says; **“And that's when the Sergeant-at-Arms rushed in with several marines, by the way, and**

he said: There will be no viewing of the body today or ever again. There will be no viewing of the body today or ever again.”

And that I believe is what has happened. We won't see Biden's corruption, and that's why he was inaugurated today. And now this senator in Dana's dream was not at all happy. **“He was upset with something that was going on and he was intent on making a change”**; and that was the inauguration of Biden; **“and he stopped for a moment near the Washington Monument and looked back.”** He's rushing over to the White House in which President Trump, and the date on this is actually shortly before the election, so the White House represents President Trump. **”And when you look back there was about 20 to 25 other people who were following him; men and women. I can't tell you parties. I can't tell you who they were. I did not see these faces. The runner; yes I knew who it was. I'm not going to say.”** And I speculated at the time I said maybe it's Ted Cruz, maybe Josh Hawley; anybody who supported the president. In other words, Dana Coverstone is telling us that Donald Trump has the goods on Biden, but he chooses not to prosecute him; chooses not to reveal his corruption. And I told you at the time, that's what Dana Coverstone's dream meant.

So here's the conclusion. I want to read the conclusion of Dana Coverstone's dream. Now I consider Dana Coverstone a true prophet, not like the false prophets on YouTube, who told you that Joe Biden would not be inaugurated. I am sure Dana Coverstone was telling us in this dream that Biden will be inaugurated, and the reason is, because

US House of Representatives where the State of the Union address is given

Donald Trump did not pull the trigger when he could have.

“And at this time I saw the man I'd seen in the previous dreams”. Now this is a commentator, probably the Holy Spirit in this dream. **“He was standing in the place where the president gives the State of the**

Union Address, he was standing in the halls of Congress right there where everybody sees the president give the State of the Union address every year, and he tapped the microphone. And he stated in a very loud voice, 'A house divided against itself shall not stand' and he emphasized the word 'shall'. He said it like this. 'A house divided against itself SHALL not stand and the emphasis was on the word 'shall'.'"

And I interpreted that as meaning that Donald Trump will overlook Biden's corruption and let him become president.

I said it at that time for the sake of unity and here, the man, the commentator in Dana Coverstone's dream, probably the Holy Spirit, tells us that will not bring unity. And we will see that in the coming days and weeks. And then verse number 3, the last verse, the last part of the Dana Coverstone's Data Dream; **"And then he pushed the microphone down"**, in other words this is the last word, **"just put his hand and pushed the microphone all the way down to the podium and he walked to the door at the rear of the room, and now that on that wall there was a panel of probably 25 or 30 light switches and one by one he flipped them down, one by one until every light in Congress, in that building, in that room went out, and that was the end of the dream."**

Joe Biden

And as I said at the time, that meant lights out for America, and that's what Biden's presidency means of course. He's an agent of the CCP and that means that the CCP will now be in control of the United States. In other words, as the prophet John Leary said, with Biden's inauguration, we will no longer be a free nation, we will be a Communist nation. Communism has come.

And I wanted to mention several other of Dana Coverstone's dreams will tell us what we can look forward to in the weeks and months ahead. One of them was the Birds and Maul Dream. I told you about that one. I did a decode of the "Birds and Maul Dream". Now in the "Birds and the Maul Dream", Donald Trump does defeat the Republicans and the Democrats. Now he can do that, not as president, and I think that he will. I suspect

he will start a new party. He's already talking about it, called the Patriot Party and that could very well destroy the Republicans and the Democrats. I pray that he does. I think that would be a wonderful idea for him to start a new political party. Kim Clement said there will be a new party.

I'm going to read some of Kim Clement's amazing prophecy also. And we can also see in the very near future the "Snake Chain Dream". That is where Communism spreads from Washington throughout America. And Dana Coverstone gave a time stamp there of the Cherry Blossom Festival remember? And I think that occurs towards the end of March if I'm not mistaken. Sister Reneé has an interpretation.

Sister Reneé:

"I just wanted to share with people with what I experienced today. I have three different spiritual directors and one of them is the Superior at a convent and she's true blue. We shared some interesting things today that coincide with what William is trying to tell us and what basically William is trying to tell us is that the time now is set for the arrival of the Antichrist.

I want everybody to think now in the way God thinks and the way scripture reads. We know scripture has to be fulfilled. We can mitigate but we can't eliminate with our prayers and sufferings.

So years ago, when Trump was elected, I thought to myself, well scripture must be fulfilled and when the Antichrist comes on the scene how can he tower over and take over our United States if we have someone chosen as another Cyrus here leading us? So I knew something had to happen to make that be true in my heart. I thought and I shared it with some of my sisters.

It must mean that at one point in time, Trump will have to go into refuge, into hiding with us at the same time we are in our hiding refuges, our safe places and actually be the true president but underground per se, and lead us spiritually. And as he's leading us and planning, and when the time comes and everything is over, he will be not only Catholic and leading the Catholic Church but he will help us in the reorganization of the new world and the new era of peace. And I always thought this in my heart but he didn't share it too much because we had this beautiful president and we wanted him as long as we could have him.

So today I talked to one of my spiritual directors. She was bubbling with joy and I said to her sister I have a feeling that we have been now plummeted into the true time of the Antichrist and the time that we must be in our refuges. She says indeed, I thought the same thing she said when I heard that Trump went to Mar-a-Lago. I knew immediately he was going to his refuge and he will be leading us there in a spiritual way. And he stays there and the Lord will bring him back into some kind of leading role after it's all over and then she said this and this is what I want everybody to embrace.

We always read in the Bible and we hear people talk about in the Bible, one day is a thousand years and a thousand years is one day. There's no time with God, even though numbers are important. And William is so good at teaching us that when we go to the Book of Revelation which says that the Antichrist will be in power less than three and one half years; it doesn't say three years; it doesn't say two years; it doesn't say one day, it says less than three and one half years. That is left to God's mystery.

My spiritual director said, what if three and a half years is really three and a half months. She said we could literally be in our refuges for a lot less time than we think. So she's excited. We've been planning this for like some years, she and her refuge, me and mine and so I just want to give people encouragement that we are now being plummeted into the time we've been preparing for.

I think we'll be seeing an escalation of evil, but also an escalation of protection and calling our loved ones to safe places. We'll be seeing

earthquakes. We'll be seeing all kinds of things but I think Trump is in his refuge, as we are in ours."

Thank you so much for that sister, I appreciate it. I think she's right however I think she's being a little too optimistic when she says three and a half months. I think it will be three and a half years. About three and a half years would bring us up to; and it may be at that time that President Trump will, I think be president during the millennium; during the thousand years of peace.

Now I went over the Data Dream, and the Lincoln Dream, I think Dana Coverstone is correct in that. And remember in that one, Abraham Lincoln is murdered and there's no doubt in my mind that Lincoln is a stand-in for Donald Trump, and they would still want to assassinate him. Believe me, they're not going to be happy just by defeating him, oh no. They know the people support him and just like any Communist nation, they can't tolerate any free speech for example. Free speech; I'll be lucky if this video is posted, or that it stays up. I know it won't be monetized for example. So we can expect free speech to be even worse than it was.

Let's see, I went through the Lincoln Dream, the Birds and Maul Dream; I mentioned Donald Trump become a Catholic and the Hold Your Breath Dream. I didn't go over that one. That's coming up. That's a prophecy of what's coming right soon after Biden's inauguration.

"Hold Your Breath" is where things were back to normal. If you remember that dream, people were living a normal life. It's obviously either spring, early summer. In that dream, there's a time stamp but then comes the great blue wave over the mountains and inundates everyone and I told you at the time that the blue wave represented Communism even though that's the wrong color.

That represents Communism and people were knee-deep in it. About half of them, the ones who are not religious were blaming God. They were shaking their fists at Heaven. Remember that? And I told you that those were the Left in this country, the Democrats. And the reason is because they really don't understand that a Biden presidency is a precursor to Communism. I mean that's what will happen and according to Dana Coverstone's dream, it will happen in the spring or early summer. That's the flood that puts everyone knee-deep in the blue flood, and the man's comment at the end of that dream was "Hold Your Breath".

So he didn't say that you fight against the Communism. It has to come. It has to happen. The prophecy has to be fulfilled, so "Hold Your Breath" was the warning for that one.

Now the next one, the other one I wanted to comment on, the dream where the recommendation is to brace yourself. That's basically the same dream. It was to brace yourself for the coming of Communism in this country. And there was the Snake Chain Dream. That's also of what is imminent. And remember that one started out with the cherry blossoms in Washington, the Cherry Blossom Festival. That would be springtime, and that's when the snakes come up out of the roots from the trees and the trees represented the prominent people in the swamp.

They were swamp trees, and the roots were all bloody and that's of course because they maintained their status in Washington in the swamp, out of the bloodshed of innocent children. And we all know that. The snakes went out to every state. Remember that? And encircled the states, and became chains. In other words Communism will now spread from Washington out to all the states, and that will come also, in this coming spring and summer.

So that is what is coming up in the near future and there's a lot more I could have talked about with Dana Coverstone and I didn't even mention Kim Clement's dream. I suppose I should just mention Kim Clement, because he received an amazing vision on March 25th 2011 I believe it

was, the Feast of the Annunciation, March 25th and that was about the coming of a woman who will save America.

And he also, even though he prophesied Donald Trump coming, he did not say that Donald Trump would save America. And we just went over what Donald Trump will save. He saves the remnant church. That's his goal. The woman saves America, and I've said this many times, and Kim Clement agrees exactly. And he says that the woman will come, and the people will say, 'before we hated her, but now we love her'. And that can only represent the Blessed Virgin Mary.

And let me just go quickly to what Kim Clement said. He said "God says at the beginning of the restoration", that would be at the middle of President Trump's term of office, which should have been eight years. As I say it was cut short, but the middle would be right now, and the woman is going to rise up beginning now. Let me see exactly where.

"Therefore the healing that is necessary for this nation shall come at a time in the middle of the presidency." That would be right now because of Donald Trump's original presidency was to be eight years.

"And God says at the beginning of the restoration, as it begins, there shall be a woman that shall rise up, a woman that is strong in faith, virtuous, beautiful and her eyes shall be so beautiful, and before we hated her but now we love her." And this woman can only be Mary. And I think the beautiful woman with large eyes; it could be Our Lady of Guadalupe. She is a woman of the Americas.

This is taken from the Shrine of Tilma of Our Lady of Guadalupe, and she does have large eyes. Her eyes are not very much open there, but they are large. It could also be the Our Lady of the Americas. In other words these are various expressions of the Blessed Virgin Mary. She will manifest herself and as I said Donald Trump will be restricted until the woman who travails shall reveal

herself, and that's also in the Book of Revelation.

And when the woman who travails brings forth, she brings forth the Protestants that's who she brings forth. That's who she converts, and all of these prophecies line up with each other. So these are the things that we can look forward to.

And this is the last part of Kim Clement's prophecy: **“And she shall pour the oil that shall come from the Spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say, yes to Esther.”** Kim Clement called this woman Esther. Esther is a pre-figure in the Bible of the Blessed Virgin Mary and how many times did his congregation shout out “yes to Esther”? They shouted out 15 times and that symbolizes Mary's Rosary, the 15 decades in a three mystery Rosary.

So that is the conclusion of my program for today. Thank you Sister Renee for calling in, and if any of you have any questions I would like to have you comment on the Biden inauguration today and who knows maybe they will be arrested before the end of the day. I mean that's exactly what all of these people have been prophesying for quite a while here on YouTube, but they didn't understand about the Trump train being smashed in and so on. In other words prophecy was altered. The prophecy of Donald Trump having two terms was altered.

Until I see all of you again, may God bless all of you and may all of you have a very blessed day.
