

## Signs From God: Rise of Putin, Fall of America

Remember this murmuration of birds which showed the image of

Vladimir Putin over New York City? I told you at the time this was a true image. In fact, I have been on YouTube for seven years now telling you that Vladimir Putin is the last king of the north as found in Daniel, chapter number 11, and that Barack Obama is the last king of the south as found in that chapter, and that Putin would defeat Obama.

Now, that was before Obama was even elected President and, in fact, Putin was not the Premier of Russia at that time, Dmitry Medvedev was. And just as my prophecies of seven years ago are coming true, this amazing prophecy from Almighty God, that Putin would rise over America, is coming true just a few weeks after he gave this prophecy, and this is one of the most amazing murmurations of bird you will ever see.

And, of course, there are false prophets on YouTube who would try to tell you that is a hoax. It is not a hoax; it is the truth. As I have told you before here on YouTube, Vladimir Putin is also the last precursor of the Antichrist. And just as Almighty God has been verifying that Vladimir Putin would be the last great world leader before the Antichrist, He has also been warning us just the past couple of weeks about the fall of Barack Obama. No one is challenging Putin going into Syria. And, as I say, that's because he is now the leader of the world.

And, a couple of weeks ago, Benjamin Netanyahu gave a speech at the United Nations and he paused for 44 seconds of silence. Now, I have also told you many, many times here on YouTube that Barack Obama is symbolized in Daniel chapter number 7 as the leopard which has "four heads and four wings" and that's because Obama is our 44th President elected on the 4th of November and I also told you that before it actually happened. Netanyahu's 44 seconds of silence indicated the silencing of Barack Obama.

Now, another amazing prophecy about the fall of Obama was that recent shooting at Umpqua Community College in Oregon where nine people were killed: 4 male students, 4 female students and one professor. Now the name of that one professor was Lawrence Levine.

He undoubtedly is Jewish. He symbolizes the fall of Israel. And, of course, the four male students and the four female students prophesied the downfall of Barack Obama. And, as I have also told you many times here on YouTube, Vladimir Putin, besides being the last king of the north who defeats Obama, is also the prince who will come, the Prince of Persia who will bring about the downfall of Israel and that is what he is doing with Syria. He is starting his move towards Jerusalem. Bible Prophecy is finally coming to fruition and we are beginning to see it and it will happen very quickly now in the next few weeks and months.

You must pray very sincerely and, as I have told you before, Bible prophecy tells us which prayer to use and that is Mary's Rosary. The reason is because 555 will defeat 666. Please visit my website and you will see how Daniel, Ezekiel, Zechariah, and our Lord himself in the Olivet Discourse will tell you this fact. Please don't wait until the Antichrist reigns. You must learn how to fire your weapons before you get on the battlefield.

And now, there is one more amazing prophecy about the fall of Barack Obama. And I had this message I received just a few days ago and this is from James Casanova and he wrote me: "Did you see Gary Busey on Dancing with the Stars last night with a perfectly formed number four on his forehead made from his hair?" Thank you very much James. Let's take a look at Gary Busey just before he began his dance on Dancing with the Stars.

As you can see, the number 4 formed by his hair is very obvious and this was at the beginning of his routine. Now, let's take a look at the end of his routine. Again, that number four is very obvious so why is this significant? Well, this was the fourth week of the program. In other words, on the fourth

week of the program, Gary Busey was eliminated with a number four on his forehead. Once again Almighty God is telling us about the fall of Barack Obama. Obama will soon be eliminated and Vladimir Putin will have no competition whatsoever as the leader of the world and this is just what the Antichrist wants.

Maybe you remember, a few years ago, Barack Obama was going to bring shock and awe to Damascus. Pope Francis organized a

worldwide vigil of prayer to prevent this. Pope Francis was successful. Barack Obama retreated. At the time, I applauded Pope Francis. I had seen what our previous presidents Bush and Obama had done in the Middle East. They had brought chaos to Egypt, to Libya, to Iraq; they want to bring chaos to Iran and now to Syria. I thought that was a wonderful move by Pope Francis. I now realize it was partisan because he is not saying anything about Vladimir Putin going into Syria.

The reason of course is because Pope Francis is the False Prophet and Putin, Obama and Pope Francis are carrying out the agenda of the Antichrist. However, Almighty God also gave us an amazing prophecy several months ago with the "Devil Moose From Belarus" when the moose, a symbol of the Antichrist, crashed into that tour bus in the Ukraine and on the odometer we saw the numbers 666 and 555. <https://docs.wixstatic.com/uqdf9795d5ac38e4432944093b987a1863ff6fe27.pdf> Now, the false prophets on YouTube, they noted this amazing occurrence and they understood the meaning of 666. They did not understand the meaning of 555.

Now, if I wanted to be popular on YouTube I would not tell you the meaning of 555 because whenever I mention Mary's Rosary as the weapon which Jesus will use to defeat the Antichrist, just as David chose five smooth pebbles to defeat Goliath, I am always castigated by the haters and the haters come from Satan. Satan does not want you to know how his head is going to be crushed but Almighty God is telling us many, many times. Please, take up your weapons against the Antichrist now. Wear your Scapular. That is prefigured by the shepherd's sling which David used against Goliath. Pray your Rosary. That is the five smooth pebbles which David used against Goliath. You must learn to use your offensive and defensive weapons before the battle.

In Revelation the people ask "who can defeat the beast?" Well, I am telling you who will defeat the beast: it is the Woman. She is prophesied way back in Genesis 3:15 to "crush the serpent". And of course, I have never said Jesus doesn't crush the Antichrist. I have told you about the weapon he will use and God has verified this just as He has verified everything else I have said about Putin and Obama here on YouTube. I don't know how much longer Almighty God is going to warn us. Seven years I have been on here. I think the time is almost at the very end. I cannot emphasize enough: please, learn how to pray the Rosary now.
