

Martin Luther & Pope Francis in Bible Prophecy

This Sunday is called 'Reformation Sunday' in the Protestant denominations and on Halloween, a couple of days from now, they will be celebrating the 500th anniversary of Martin Luther posting his famous 95 theses on the doors of Wittenberg Cathedral and that marked the beginning of the breakup of Christianity which is also symbolized by the White Horse of apostasy in the book of Revelation. And on this program I want to talk about two 'Stars' that fall in the book of Revelation, and that would be Martin Luther and Pope Francis. Martin Luther is a precursor of the False Prophet and, of course, Pope Francis, he IS the False Prophet. And these are just my opinions; I don't have proof yet; but I think it will become much more obvious as we go along.

So first, let me read in the book of Revelation where we find Martin Luther, and this is in chapter 9, verse number 1: **'And the fifth angel sounded and I saw a star fall** (in the book of Revelation, John refers to the clergy, the Catholic clergy, as stars and so this star that falls refers to a Catholic priest who fell and that would be Martin Luther) **he fell from heaven unto the earth and to him was given the key of the bottomless pit.'** Now who gave him this key? Almighty God gave the key to Martin Luther. Martin Luther is a test for Christians just as God will give the key to the Antichrist as found in Daniel, chapter 4 verse number 17, and He also appointed Pope Francis as the False Prophet. By the way, I am using a King James Version. I don't want to be accused of using a Catholic Bible to describe a Protestant; this is the KJV Protestant Bible. Chapter 9, verse number 2, still talking about Martin Luther: **'And he opened the bottomless pit and there arose smoke out of the pit as the smoke of a great furnace** (smoke would symbolize spiritual darkness) **and the sun and the air were darkened by reason of the smoke of the pit.'**

And verse number 3: **'And there came out of the smoke locusts upon the earth** (those would be demons) **and unto them was given power as the scorpions of the earth have power and it was commanded that they should not hurt the grass of the earth neither any green thing neither any tree.'** That 'greenness' refers to people in the Catholic Church. Remember in the Olivet Discourse, Jesus refers to the Catholic Church as a green field from which Catholics must flee when they see the Abomination of Desolation; and so Martin Luther is going to seduce people through these locusts.

'Trees' would symbolize the hierarchy, the bishops and the Cardinals, **'neither any tree but only those men which have not the seal of God in their foreheads.'** And verse number 5: **'And to them it was given that they should not kill them but that they should be tormented five months.'** The time frame 'five months' is symbolic of five centuries, and since Martin Luther posted his 95 theses five hundred years ago on Halloween of 1517, those five hundred years are almost up: the five century plague of locusts is finished! **'And their torment was as the torment of a scorpion when it striketh a man.'** And verse number 12: **'One woe is passed** (that's the White Horse of apostasy) **and behold there come two woes more hereafter.'** And one of those woes is nuclear warfare.

So now, let's look and see where Pope Francis is found in the book of Revelation and this would be in chapter 13, verse number 16, talking about the False Prophet, the beast that comes up out of the earth: **'And he causeth all, both small and great, rich and poor, free and bond to receive a mark in their right hand or in their foreheads.'** This has not yet happened. Pope Francis has come up out of the earth already but he has not yet caused everyone to take the Mark of the Beast; that will occur in the very near future. Verse number 17: **'That no man may buy or sell save he that has the mark or the name of the beast or the number of his name.'** And since Pope Francis is a little higher up the chain of command than Martin Luther we see him described somewhat differently in the book of Revelation, chapter 8, verse number 10: **'And the third angel sounded and there fell a great star.'** Thus, Pope Francis is described as a 'great' star; Martin Luther was described merely as a star. 'Great' star indicates a higher-ranking star, in other words, Pope Francis: **'fell from heaven burning as they were a lamp and it fell upon the third part of the rivers and upon the fountains of waters.'** In other words Pope Francis is only going to seduce one-third of the Catholics; **'and the name of the star is called wormwood.'** 'Wormwood' is not something that has to do with Chernobyl or a real star or meteorite falling from the sky; it refers to Pope Francis. He is a 'star', like a 'movie star' or 'sports star'. 'Star' is the term John uses for the rank of clergymen **'and the third part of the waters became wormwood.'** That's the good news! Pope Francis is only able to seduce one-third of the Catholics, **'and many men died of the waters because they were made bitter'**. The FP's false doctrines cause spiritual death.

So now, let's see where 'Wormwood', that is Pope Francis, is found in Jeremiah 23, verse number 15: **'Therefore thus saith the Lord of Hosts concerning the prophets** ('prophet' is Jeremiah's code word for Protestant, the same as in Isaiah and Micah, as well as here in Jeremiah and in the book of Revelation, and he, 'Wormwood', is going to preach to the 'prophets' and they will accept him) **behold I will feed them** (the Protestant prophets) **with wormwood.**' Here God is telling us that He is appointing the False Prophet, Pope Francis just as He will appoint the Antichrist, and I'm sure He also appointed Martin Luther. **'I will feed them with wormwood and make them drink the water of gall (1).'**' So, it's really not surprising that Pope Francis and Martin Luther are both 'stars' that fall in the book of Revelation. Luther is a precursor of the False Prophet so it's not surprising that Pope Francis has an affinity with Martin Luther.

I want to read known excerpt from the 'Filial Correction'. Sixty-two Catholic Bible scholars published the 'Filial Correction' on September 23rd, 2017, the date of the Great Sign, and here's what they had to say about the relationship between Pope Francis and Martin Luther: **'Most Holy Father, permit us also to express our wonderment and sorrow at two events occurring in the heart of the Church, which likewise suggest the favor in which the German heresiarch** (that would be Martin Luther) **is held under your pontificate. On January the 15th, 2016, a group of Finnish Lutherans were granted Holy Communion in the course of a celebration of Holy Mass that took place in St. Peter's Basilica.'** No one who does not believe that Jesus is really present in the Eucharist should be allowed to receive Communion. The only possibility I can think of here is that Pope Francis already understands that his consecrations are invalid because his intention is flawed. Is that the reason Francis never genuflects at his consecrations.? And he is causing invalid consecrations in Germany and in Malta but not yet in Poland or Portugal. I believe every Bishop is going to have to make a decision: will they follow the False Prophet, Pope Francis, and consequently their consecrations will be invalid. But as I say, 2/3 will not. So that's the good news. And this Filial Correction continues: **'On 13th October, 2016, Your Holiness presided over a meeting of Catholics and Lutherans in the Vatican addressing them from a stage on which a statue of Martin Luther was erected.'** Wow, can you believe that; a statue of Martin Luther? I didn't think Protestants allowed statues; that's really crazy. But it shows you how far these two denominations, both the Roman Catholic and the Lutheran, have fallen along with their leaders, the apostate 'Stars'.

Now I want to mention the people who have been contributing to my book fund and I appreciate all of these people very much and I hope you can help out also; and specifically, Larry in Texas, Stephen M, thank you very much, Julie F., and I'm not going to give you their last names, I don't have permission, Adam and Nancy, Michael R. and I especially want to thank Renata in Canada. She's the one who sent me a picture, it was either last year or the year before, of that satanic image of the child Jesus; I did a video on it. So thanks again, Renata.

And I especially want to thank Charlene; she gave me a very generous donation and she sent me two books. So these are beautiful books; thank you so much Charlene, and this one I'm especially interested in: 'The Father Speaks to his Children', and I had never heard of this visionary, Mother Eugenia.

1) I believe 'wormwood' and 'gall' refer to the two elements of a false Eucharist; substitutes for the Body and Blood of our Lord.
