

## God's Wrath on the False Prophets Pt 8

This will be part 8 and my final part on the amazing End Times prophecy found in Jeremiah's chapter number 23. And I have on the screen, Jeremiah's Cryptogram, which is the only way you can understand the End Times prophecy contained in that chapter.

And no other Catholic, Protestant or Jewish Bible scholar has ever understood that, chapter number 23 of Jeremiah is an apocalyptic chapter, that is, it gives End Times prophecy. And we've already looked at the first four lines on Jeremiah's Cryptogram, and in fact in my last program we also looked at the first three verses of the bottom line that is verses 5, 10 and 15. And I want to review verse 15 for just a few minutes, because that is really the most important verse in the entire chapter. And of course we should know that, because it is a rosary number and the rosary is the weapon Jesus will use to defeat the Antichrist and the False Prophet. And in verse number 15 we find the False Prophet and that is Wormwood. Let me read verse 15:

**Jer. 23:15 "Therefore thus says the Lord of hosts to the prophets:"** now 'prophets' is Jeremiah's code word for the false Protestant prophets; **"behold I will feed them with Wormwood, and I will give them gall to drink:"** now Wormwood is the same as Wormwood in the book of Revelation. It refers to the False Prophet,

who is Pope Francis unfortunately. And it's interesting that he feeds us with Wormwood and gall, and that is a substitute for the Eucharist, the true body and blood of our Lord. The False Prophet feeds us the false Eucharist; **"for from the prophets of Jerusalem corruption has gone forth into all the land."** And the only reason that is added to this verse is to put in all three categories of false prophets, the false Protestant fragments, the false Catholic prophet, that is Wormwood, and the false Jewish prophets. So now let's continue with the bottom line on Jeremiah's Cryptogram, and we look at verse number 20.

**Jer. 23:20 "The wrath of the Lord shall not return till he execute it,"** now this is fulfilling verse 1, which is called "Woe be unto the pastors"; **"until he accomplished the thought of his heart: in the latter days you shall understand his counsel."** Well how are you going to understand his counsel in the latter days? This is obviously an End Times prophecy. And as I said, no Catholic Protestant or Jewish Bible scholar has ever recognized that this is an End Times prophecy. Well the only way, as I have said many times on this program, is through a co-prophet, because that's how the Holy Spirit works. He works through two people; the prophet, in this case Jeremiah, and a co-prophet.

**Jer. 23:25 "I have heard what the prophets said that prophesy lies in my name and say: I have dreamed, I have dreamed."** Now this tells us which category of false prophets these are. As I have said before, your young men shall have visions and your old men shall have dreams. And that means, that in this case, these are the Jewish false prophets that God is warning about here.

**Jer. 23:30 "Therefore behold I am against the prophets,"** now he doesn't tell what kind of prophets; Therefore this is his code word for the Protestant false prophets; **"says the Lord: who steal my words every one from his neighbor."** And this is typical of the Protestant false prophets here on YouTube. They copy each other and pretty soon they think its gospel themselves. Jesus warned there would be many false prophets and prophets of the End Times, and they would come in His name, that is, claiming to be Christians.

And, what Jeremiah is saying, that they steal from their neighbor. For example, they say that in Daniel 9:27 that the Antichrist confirms the

Covenant, which is a huge lie. Where did that come from? Well I suspect probably 25 to 30 years ago at least, it came out of Dallas Theological Seminary. I'm not sure, but it's very likely. And once one neighbor, as Jeremiah says, repeats that type of a prophecy, all the others jump on and say, oh yes, yes, the Antichrist confirms the covenant. So that's what Jeremiah's talking about here. And now verse number 35 is very interesting, because, he tells us; what we, you and I have to do.

**Jer. 23:35 "Thus shall you"** that's you in my audience, and me also, **"say everyone to his neighbor, and to his brother:"** that is the false prophets as we found in last verse, verse number 30, **"what has the Lord answered? and what has the Lord spoken?"** In other words, don't pay attention to what these false prophets are getting from other false prophets, because that's all, of course, false. And now we come to verse 40, the last verse, which sums up the entire chapter in one verse, and it completes the first verse which says, **"Woe to the pastors."**

**Jer. 23:40 "And I"** now this is God speaking, **"will bring an everlasting reproach upon you,"** you, in this case is the false prophets, **"and a perpetual shame, which shall never be forgotten."** This is a horrible wrath of God. That means that these false prophets are going to go to Hell. I mean if they went to Heaven, God forgives sins in Heaven, and they are forgotten, but in this case the false prophets go to Hell. And of course we know that Wormwood, the False Prophet, not only goes to Hell but he is cast alive into Hell.

And now normally I like to leave on a good note, but in this case I don't think I will. I think, you are going to be stuck with this horrible prophecy about the false prophets. It means that we have to do something about it. We have to correct these false prophets, and try to save them from their awful destiny.
